## Sportsmanship Helps in Accepting Both Success and Failure – Deputy Collector Sayali Solanke State-Level Table Tennis and Badminton Tournament for Girls Concludes at Sanjivani Polytechnic

Kopergaon: Earlier, parents hesitated to let daughters play sports. Deputy Collector (Land Acquisition) Ahilyanagar, Sayali Solanke, recalled a girl scolded for winning a volleyball contest instead of being appreciated. Now, sports are valued for teaching discipline and teamwork.

She spoke at the State-Level Inter-Divisional Badminton and Table Tennis Tournament for Girls, organized by IEDSSA, Maharashtra, and hosted by Sanjivani K.B.P. Polytechnic. Dignitaries included Rakesh Kale, Principal A.R. Mirikar, and Registrar Nanasahab Londhe. The event had 140 athletes from 12 badminton and 9 table tennis teams across Maharashtra.

Amit Kolhe, Managing Trustee of Sanjivani Group, welcomed guests, and Solanke praised the institution's progress. Principal Mirikar encouraged participants, stressing performance over winning.

Government Job Opportunities for Athletes.

Solanke noted that state and national-level athletes get a 5% reservation in government and cooperative job recruitment.

Tournament Results

Badminton: Govt. Polytechnic, Ahilyanagar won; Vidya Alankar Polytechnic, Mumbai was runner-up. Table Tennis: Vidya Alankar Polytechnic, Mumbai won; Govt. Polytechnic, Washim was runner-up.

Officials and Support Team

Referees Manoj Jagdale, Rohit Lokhande, Pranit Bawiskar, Neelam Parande, Sharayu Shete, and Abhi Hajare officiated. Professors Shivraj Palne, Dr. Ganesh Narode, Satyam Kothalkar, and Akshay Yevele ensured smooth organization. Prof. I.K. Sayyed delivered the vote of thanks.

## Parents Need to Stay Vigilant About Their Children – Mrs. Amutatai Pawar, Sanjeevani Toddlers School, Yeola Annual Gathering Held in Kopergaon

Kopergaon: Parents must actively guide their children, not just provide gifts. Between ages 0–5, 85% of brain development occurs, making love and value-based teachings essential. From 5–15, discipline, household tasks, and responsibility should be instilled. Children must learn to make decisions in tough situations, with parental guidance when mistakes happen, stated Mrs. Amrutatai Vasant Rao Pawar.

She spoke at the Annual Gathering of Sanjeevani Toddlers (Pre-Primary Division), held at Sanjeevani Engineering College. The event was attended by Mr. Amit Kolhe (Managing Trustee), Dr. Manali Kolhe (School Director), and Principal Mrs. Sudha Subramaniam. It began with a lamp lighting and a tribute to founder Mr. Shankarrao Kolhe. A graduation ceremony for pre-primary students moving to Grade 1 followed, along with the annual report presentation.

Mrs. Pawar emphasized that 70% of a child's future is shaped by parents, 20% by teachers, and 10% by the child. Since children learn by observing, parents must set a good example. Under Dr. Manali Kolhe's guidance, this year's cultural theme, "Navsrishti" (New Creation), showcased environmental changes and lifestyle adaptations through skits and songs. The performances captivated the audience.

Mr. Nitin Kolhe (President, Sanjeevani Group) praised the young artists for their outstanding performances.

## Five Engineers from Sanjivani Engineering College Selected for Jobs at Ambar Enterprises: Internship with Stipend Before Final Results

**DHAWALE  
UDAY**

**GADHAVE  
GOURAV**

**MAPARI  
RUCHIKA**

**TIPAYALE  
DHANASHREE**

**WAGH  
ANIKET**

Every parent dreams of their child becoming self-reliant. My parents chose Sanjivani Engineering College for its strong education and placement support. Studying Mechanical Engineering under an autonomous curriculum gave me exposure to advanced technology.

With the Training & Placement department's guidance, I secured a job at Ambar Enterprises, where I also completed a stipend-based internship. Even before my final results, I started earning. I take pride in being the first employed girl in my family, making them immensely proud.

— Richika Mapari, Graduate Engineer

Kopergaon: The Training and Placement (T&P) department of Sanjivani Engineering College actively collaborates with reputed companies to provide employment opportunities to budding engineers through campus placement drives. These efforts ensure that students secure jobs even before completing their final semester. As part of this initiative, Ambar Enterprises India Limited, a leading manufacturer of air-conditioning systems, has selected five final-year Mechanical Engineering students from the college for employment. Additionally, the company has granted them an internship with a stipend before their results are announced, as per a press release from the college's Information and Broadcasting department.

The selected students are Uday Ashok Dhawale, Gaurav Vijay Gadhave, Richika Sharad Mapari, Aniket Nanasaheb Wagh, and Dhanshree Sainath Tipayale. All of them come from rural backgrounds, and their success aligns with the vision of late founder Shankarrao Kolhe, who established Sanjivani Engineering College 42 years ago to provide employment opportunities to youth from rural areas. Through Sanjivani, thousands of students have secured jobs and achieved self-reliance by the age of 22. This accomplishment further strengthens Sanjivani Educational Complex's reputation as a hub for job-ready professionals, truly living up to its mission of empowering young engineers with career opportunities.

## Rajvika Kolhe from Sanjivani International School, along with Sarvesh Shelke and Spandan Jadhav from Sanjeevani Academy, have won gold medals in the National Softball Championship.

**Miss Rajvika Amit Kolhe**

SCHOOL

**Mast. Sarvesh Tushar Shelke**

**Under 14 Boys**  
SANJIVANI ACADEMY

**Mast. Spandan Prakash Jadhav**

**Under 17 Boys**  
SANJIVANI ACADEMY

Rajvika Kolhe (Sanjivani International School, Shirdi), Sarvesh Shelke, and Spandan Jadhav (Sanjivani Academy, Kopergaon) led their teams in different age groups at the 68th National School Games Softball Championship and won gold medals. Rajvika Kolhe captained the U-14 girls' team, winning against Rajasthan (1-0) in the semifinals and Chhattisgarh (2-0) in the finals.

Sarvesh Shelke led the U-14 boys' team, defeating Chandigarh in the semis and Delhi (2-0) in the finals.

Spandan Jadhav captained the U-17 team, securing victory against Chhattisgarh (1-0) in the semis and Punjab (2-0) in the finals. The matches were held in Chhatrapati Sambhajinagar and Jalgaon. Their outstanding performance brought pride to Maharashtra and their schools.

Sanjivani Group leaders congratulated the winners and their coach, Virupaksh Reddy, for their remarkable achievement.

## Sports Competitions Help Athletes Discover Their Potential and Skills" – Shri Sumit Kolhe Grand Badminton Tournament Organized by Sanjivani Foundation Concludes Successfully

Sanjivani Group of Institutes Trustee and Sanjivani Foundation Secretary Shri Sumeet Kolhe along with dignitaries and the winners of the badminton tournament organized by Sanjivani Foundation.

Kopergaon: Shri Sumit Kolhe, Secretary of Sanjivani Foundation, emphasized the importance of open sports tournaments in providing opportunities for athletes beyond school and college. He highlighted how continued participation in sports enhances physical and mental health, confidence, and personality development.

The Men's Doubles and 35+ Doubles Badminton Tournament, organized by Sanjivani Foundation, was held at Sanjivani Engineering College's Gymkhana Hall. A total of 38 teams participated from various locations.

Winners:

### Men's Doubles:

First Place: Wasim Shaikh & Tejas Khumne (₹21,000)

Second Place: Akshay Kisarwar & Vivek Chandravarshi (₹11,000)

Third Place: Akshay Sase & Harshal Janeraw (₹7,000)

### 35+Doubles:

First Place: Shekhar Daima & Samiran Mandal (₹7,000)

Second Place: Manoj Vyas & Samadhan Dongre (₹5,000)

Third Place: Mohanrao Gongada & Vijay Pawar (₹3,000)

The winners were felicitated by Shri Sumeet Kolhe and other dignitaries. The tournament was organized under the guidance of Sanjivani President Nitin Kolhe and Managing Trustee Amit Kolhe, continuing the legacy of Shankarrao Kolhe's vision of nurturing sports talent.

## Sanjivani's Eight Engineers Selected by Benchmark Company with Annual Package Over Six Lakhs Sanjivani's Autonomous Status Helping Engineers Secure High-Paying Packages

Sanjivani Group of Institutes Trustee and Sanjivani Foundation Secretary Shri Sumeet Kolhe along with dignitaries and the winners of the badminton tournament organized by Sanjivani Foundation.

Kopergaon: Due to the autonomous status of Sanjivani Engineering College, its strong coordination between various departments and the Training & Placement Cell, and faculty efforts in equipping students with industry-relevant skills, Sanjivani engineers are excelling in recruitment by reputed companies.

Recently, Benchmark IT Solutions conducted interviews and selected eight students from the Computer Engineering and Information Technology departments, offering each an annual package of ₹6 lakh. Experts in the field attribute this success to Sanjivani's autonomous curriculum and global collaborations for advanced learning.

Last year, the same company had recruited 12 Sanjivani engineers before their final results, and their outstanding performance led to the selection of eight more students this year: Om Ambadas Bade, Sachin Anil Borade, Gauri Rajendra Hole, Yashodeep Arun Kolhe, Bhushan Sudam Rathod, Anushka Balasaheb Devkar, Srishti Kishor Hire, Chetan Satish Sapkal.

Many parents seek educational institutions that provide quality education and job security, ensuring their children's financial independence. Sanjivani's commitment to excellence and strong industry connections make it a trusted choice for students aiming for high-paying jobs.

Sanjivani President Nitin Kolhe congratulated the selected students and their parents, while Managing Trustee Amit Kolhe honored them in a special felicitation ceremony. The event was attended by Vice-Chancellor Dr. A. G. Thakur and other faculty members.

## Seven Sanjivani MBA Students Selected for Jobs at Shriram Finance

**All MBA Graduates Seeking Jobs Secured Employment Last Year; This Year Continues the Trend.**

Sanjivani Group of Institutes' President Nitin Kolhe, Managing Trustee Amit Kolhe, Dr. Thakur, and other dignitaries with the MBA students selected by Shriram Finance for employment.

Kopargaon: Sanjivani MBA Department not only offers specialized MBA degrees but also ensures students are job-ready through its Training & Placement Cell. With year-round industry-focused initiatives, students successfully clear recruitment processes.

Recently, seven MBA students from Sanjivani were selected by Shriram Finance with attractive salary packages. The selected students are:

Harshad Raju Kachare, Avinash Vilas Kusalakkar, Harshad Atmaram Sable, Sai Ravindra Shinde, Om Satish Targe, Saphal Raju Thorat, Sai Ravindra Patil.

Last year, all MBA graduates in need of jobs were successfully placed, and the institute continues this strong placement trend this year as well.

Being an autonomous institute, Sanjivani MBA Department designs its curriculum based on industry trends and expert advice, making students more competitive in corporate hiring.

Sanjivani President Nitin Kolhe and Managing Trustee Amit Kolhe felicitated the selected students in a special ceremony and wished them success in their careers. Vice-Chancellor Dr. A. G. Thakur and faculty members were also present at the event.

## Three Students from Sanjivani MBA and Engineering Selected for ₹11.83 LPA Package at Avalara : Sanjivani's Efforts Helping Rural Students Secure Lucrative Job Packages

**GARDARE  
HARSHAL**

**AROTE  
PRANJAL**

**DNYANESHWAR  
BANKAR**

Kopargaon: Through the combined efforts of the Training and Placement (T&P) Department and various academic departments at Sanjivani MBA and Engineering College, three students have been hired by Avalara Technologies Pvt. Ltd. with an impressive annual package of ₹11.83 lakh.

Sanjivani's focus on industry-relevant training, job readiness programs, and strong relationships with reputed companies continues to help rural students secure high-paying jobs. Every year, hundreds of students from Sanjivani transition into well-paying careers, proving the trust leading companies place in Sanjivani's talent pool.

Avalara Technologies, a global leader in software solutions across four continents, selected three students even before their final results:

- Tushar Dnyaneshwar Bankar (MBA)
- Harshal Vijay Gardare (MBA)
- Pranjal Prakash Arote (Computer Engineering)

Sanjivani's commitment to excellence and holistic development continues to create career-defining opportunities for students, particularly from rural backgrounds.

Sanjivani Group of Institutes' President, Shri Nitin Kolhe, and Managing Trustee, Shri Amit Kolhe, congratulated the selected students, their parents, as well as the concerned departments and the T&P team for their outstanding efforts.

"I come from Mehnduri village in Akole taluka. My father, a farmer, and my homemaker mother always wanted me to be self-reliant. Choosing Sanjivani Engineering College was the best decision, as it provided me with modern technical education and extensive mock interview training through the T&P department. With their support, I confidently cleared my interview and secured a ₹11.83 lakh package at Avalara Technologies. I am the first girl in my family to step out for a job, and this achievement has brought immense joy to my loved ones. Sanjivani turned my father's dream into reality!" - Pranjal Arote

## 44 Sanjivani Engineering Students Secured Jobs with a Japanese Company Offering ₹ 17 Lakh Annual Packages : Japanese Language Training at College Leads to Global Career Opportunities

Kopergaon: Sanjivani Engineering College had previously signed a Memorandum of Understanding (MoU) with a reputed Japanese company, and as a result of this collaboration, 44 Sanjivani engineers have been selected for jobs offering an annual package of over ₹17 lakh. This remarkable achievement was made possible through the joint efforts of the Industry-Institute Interaction Cell (IIIC) and the Training & Placement (T&P) department. The availability of Japanese language training within the college has significantly benefited the students, according to an official press release from the institution.

The release further highlights that although Sanjivani Engineering College is located in a rural area, it has successfully paved the way for its students to transition from local to global opportunities through various innovative initiatives. The selection of these engineers by a renowned Japanese company further reinforces this international progress.

The selected candidates include Krishnaraj Badade, Gayatri Gawli, Kalyani Ghodke, Sanika Kadam, Kartik Kale, Parth Gunjal, Sanket Pathare, Gayatri Sangle, Sharvay Suralkar, Viraji Shelar, Vaishnavi Shinde, Aditya Shingar, Shrutika Ulhare, Deepali Jhagde, Ashish Kale, Kiran Sable, Kishor Bhangre, Aryan Agwan, Gayatri Bhalerao, Ashwini Salke, Sanika Ambore, Vaishnavi Mane, Ashwini Mane, Shivprasad Mane, Sakshi Sonawane, Rutuja Suryavanshi, Vaishnavi Agre, Sakshi Bhagat, Vishal Pawar, Janhavi Kapse, Audumbar Jundare, Mahesh Yele, Nitin Wagh, Tejas Darunte, Anjali Khakarode, Sanket Asane, Prerana Sangle, Sarthak Shirsath, Gauri Repale, Ashwini Damale, Jayashree Rokde, Ashwini Jadhav, Gaurav Chine, and Avinash Nikam.

Sanjivani Group's Chairman, Shri Nitin Dada Kolhe, and Managing Trustee, Shri Amit Kolhe, extended their heartfelt congratulations to all the newly selected engineers and their parents. They also appreciated the efforts of Sanjivani University's Vice-Chancellor, Dr. A.G. Thakur, Sanjivani Engineering College Director, Dr. M.V. Nagarhalli, Training & Placement (T&P) Dean, Dr. Vishal Tidke, and Industry-Institute Interaction Cell (IIIC) Dean, Prof. Atul Mokul, for their significant contribution to this achievement.

I am the son of a farmer from Depalali Pravara, Rahuri Taluka. My mother is a homemaker. Since my branch is autonomous, I received education in advanced technology along with Japanese language training. I always wondered when I would get the opportunity to work abroad, just like many of our college's alumni who hold prestigious positions in foreign countries. Sanjivani made this dream come true for me, and I take immense pride in it. My parents are extremely happy, and being able to share this joy with them makes me feel truly fortunate."

- Novice Engineer Sanket Pathare

Sanjivani's President Mr. Nitindada Kolhe and Managing Trustee Amit Kolhe, along with officials from a Japanese company, selected Sanjivani's newly appointed engineers. Present at their felicitation were Dr. Thakur, Dr. Tidke, and Prof. Mokul.

## Late Shankarrao Kolhe Was a University of Knowledge and Ideals – Shri Sumit Kolhe Lecture Series Organized at New English School, Yesgaon, on the Occasion of His Memorial Day to Birth Anniversary

Shri Sumit Kolhe addressing students at the lecture series on Late Shankarrao Kolhe at New English School, Yesgaon

Kopargaon: Late Shankarrao Kolhe obtained his B.Sc. in Agriculture from Pune University in 1950 and went abroad for higher studies. Despite opportunities to settle abroad, he chose to return to India and dedicate his life to the betterment of society. His journey and contributions reflect that he was a university of knowledge and ideals, said Shri Sumit Kolhe, trustee of Sanjivani Group of Institutes.

To commemorate the period from his death anniversary to his birth anniversary, New English School, Yesgaon, has organized a week-long lecture series. Shri Sumit Kolhe addressed students as part of this event. Present on the occasion were Yesgaon Society Chairman Sachin Kolhe, School Committee members Balasaheb Nikole, Kiran Gaikwad, Amol Zaware, Kapil Suralkar, Uttam Paik, Atul Suralkar, Satish Gosavi, village residents, Principal Ranganath Thakre, and others.

Shri Kolhe further added that despite being highly educated, Late Shankarrao Kolhe always chose to dress simply in a dhoti, shirt, and cap to remain connected with the common people. To understand the cooperative movement, he worked as an Executive Director of a sugar factory before establishing Sanjivani Sugar Factory. He led numerous farmer-centric movements, even making great political sacrifices for their welfare.

Yesgaon School held a special place in his heart. Established in 1971 in a temple, it has now grown into a well-equipped institution with a grand building. Through his exemplary conduct, Shankarrao Kolhe instilled strong values in those around him. He was highly disciplined about time, believed in the importance of exercise, and remained an avid reader, often sharing his knowledge with the younger generation. His strong willpower helped him overcome health challenges, Shri Sumit Kolhe concluded.

## “AI Technology Makes Everything Possible” – Dr. Deepak Shikarpur

### Inauguration of National Technical Competitions at Sanjivani Polytechnic

Dr. Deepak Shikarpur addressing the audience at the inauguration of 'Sanjivani Tech Mantra 2025' at Sanjivani Polytechnic. Also present on the dais were Managing Trustee Shri Amit Kolhe, Laghu Udyog Bharati President Shri Nikhil Tapdiya, Rotary Club President Shri Rakesh Kale, Vice-Chancellor Dr. A.G. Thakur, Director Dr. M.V. Nagarhalli, Principal Prof. A.R. Mirkar, entrepreneur Shri Kamlesh Ushir, along with department heads and deans.

Kopargaon: Artificial Intelligence (AI) is transforming sectors like education, industry, and agriculture, making continuous learning in AI technologies, said Dr. Deepak Shikarpur, renowned IT engineer and career counselor.

Speaking as chief guest at the Sanjivani Tech Mantra 2025 inauguration, organized by Sanjivani K.B.P. Polytechnic, he emphasized internet-driven skill development, soft skills, and foreign language learning for global job opportunities.

The event was attended by Sanjivani Managing Trustee Shri Amit Kolhe, entrepreneur Shri Nikhil Tapdiya, Rotary Club President Shri Rakesh Kale, Vice-Chancellor Dr. A.G. Thakur, and other dignitaries. Principal Prof. A.R. Mirkar noted 1,100 participants had registered.

Shri Kolhe stressed project-based learning and urged students to embrace technological advancements in line with India's 2047 development vision. Shri Tapdiya encouraged an entrepreneurial mindset for job creation.

The event was coordinated by Prof. S.A. Patil, with key contributions from Dr. S.P. Tanpure, Prof. V.S. Dhande, and ISTE.

## 21 Students from Sanjivani Engineering and MBA Selected for Jobs at Sagar Defence Engineering Sanjivani Justifies the Trust of Students & Parents

Students selected at Sagar Defence Engineering alongside Managing Trustee Mr. Amit Kolhe, Dr. Thakur, and department heads of Sanjivani Group of Institutes.

Kopergaon: In today's competitive world, every field demands excellence. For parents, their most valuable treasure is their children, and they constantly strive to provide them with a secure and stable career. With this aim, they trust Sanjivani Group of Institutes to shape their children's future.

Sanjivani has once again upheld this trust by ensuring quality placements for its students. Recently, Sagar Defence Engineering Pvt. Ltd. conducted campus placement interviews, and 21 students from Sanjivani Engineering and MBA programs secured high-paying jobs. This achievement highlights Sanjivani's commitment to providing the best opportunities for its students, as stated in an official press release from the institute.

According to the press release, Sagar Defence Engineering Pvt. Ltd., a company that supplies unmanned marine vehicles to the Indian defense sector, selected students from various engineering and MBA disciplines. The selected students are:

Computer Engineering: Om Bhaskar Argade, Deepika Navnath Dahiphale, Sumit Vaibhav Dhivar, Anant Prabhakar Gagre, Manoj Jalinder Gambhire, Chaitanya Appasaheb Gore, Pranjal Rahul Jagtap

Mechanical Engineering: Yogesh Kailas Pendhari, Achyut Sheshrao Pawar, Vaishnav Anil Pawar, Nikhil Radhakrishna Sanap, Shreyash Sanjay Kadam

Electronics and Computer Engineering: Harshal Gopinath Wanhere

Mechatronics Engineering: Umesh Satish Jadhav, Niranjan Ramnath Labhade, Aditya Ashok Lokhande, Vaishnavi Vitthal Dole

MBA: Ajay Dilip Deshmukh, Kunal Deepak Dhamone, Gayatri Balasaheb Labhade

I run a tailoring business in Shirampur. My son Kunal studied up to M.A. in Shirampur, but job opportunities seemed uncertain. After extensive research and discussions, we decided on an MBA at Sanjivani. He commuted daily from Shirampur to Kopergaon by train, managing both travel and studies. Despite the challenges, he worked hard, and I am proud of him. Thanks to Sanjivani's efforts, he secured a well-paying job, fulfilling my dreams as a parent." — Deepak Dhamone, Parent

## IET KK WAGH EXPO 2K25, Working Model Competition

We are delighted to extend our heartfelt congratulations to Sakshi A. Rohamare, Rutika A. Chine, Muskan J. Shaikh, Purushottam Detha, and Mohiniraj Raut for securing the Consolation Prize at the National Competition IET KK WAGH EXPO 2025 Working Model Competition. We also express our sincere gratitude to Dr. H. N. Kedar for his invaluable guidance and mentorship. Congratulations once again to the team and their mentor for this well-deserved recognition!

## Hinamatsuri Celebration at Sanjivani College of Engineering, Kopergaon

We are thrilled to share the success of the Hinamatsuri – Japanese Doll Festival (Girls' Day) on 4th March 2025, celebrated with great enthusiasm at Sanjivani College of Engineering, Kopergaon. The event, organized by the Department of T&P & Foreign Language Learning Initiative, was a remarkable occasion that provided an enriching cultural experience for all attendees.

The celebration included a beautiful Doll Display, which showcased the elegance and symbolism of prosperity, bringing a deeper understanding of Japanese traditions to our community. It was a wonderful opportunity for practical exposure to the Japanese language and culture through immersive activities, promoting global learning and cultural appreciation. The event was a perfect blend of creativity, learning, and cultural exchange, inspiring everyone to explore new cultures and languages.

A huge thank you to the Department of T&P and Foreign Language Learning Initiative for organizing such a successful event!

## Do Not Compare Your Children with Others – Dr. Sushma Bhosale

### Annual Gathering of Sanjivani Academy's Primary Section Concludes Successfully

Kopargaon: "Your children are talented. If there are any gaps in their progress, communicate with teachers to help them improve. However, never compare them with other children. You have reached this stage through hard work—set an example of dedication for them. Also, avoid discussing educational expenses in front of them," advised Dr. Sushma Bhosale, a distinguished psychologist, professor, author, and member of the American Psychological Association.

Dr. Bhosale was addressing parents as the chief guest at the Annual Gathering of Sanjivani Academy's Primary Section. The event was graced by Mr. Amit Kolhe, Managing Trustee of Sanjivani Group of Institutes; Dr. Manali Kolhe, School Director; Mrs. Nikita Kolhe; Dr. R. S. Shendge, Head of Academic Governance; Mr. Prakash Jadhav, Head of Institute Services; Ms. Rekha Patil, Executive Principal; and Principal Shaila Zunjarrao. The presence of parents was remarkable.

The event commenced with Principal Zunjarrao presenting the annual report, highlighting students' achievements across various fields, which received thunderous applause from parents.

While guiding the parents, Dr. Bhosale further emphasized, "Children's behavior reflects their parents' actions. Therefore, maintain consistency between what you say and do. Children imitate adults, so be a good role model if you want them to grow into good individuals." She also praised the young performers for their cultural presentations and appreciated the dedication of teachers.

Sanjivani Academy's Remarkable Growth Speaking on the occasion, Mr. Amit Kolhe recalled, "Under the guidance of the late founder, Shri Shankarrao Kolhe, Sanjivani Academy started in 2012 with just a few students. Today, with a strong student base, our students are excelling at the national level. The trust parents have placed in us has been instrumental in this journey." He further added that Chairman Shri Nitindada Kolhe is committed to ensuring that rural students have access to the latest knowledge. As a result, the school has adopted the National Education Policy (NEP) 2020, integrating coding and robotics into the curriculum, with Artificial Intelligence set to be introduced next year. Foundational training will also be provided.

To help students and parents make informed career choices after Class 10 and 12, career counselors from Sanjivani University regularly visit the school. "Parents should not worry about their children's future—Sanjivani Academy is committed to preparing them to shine on international platforms," assured Mr. Kolhe.

### Spectacular Cultural Performances

The students showcased a variety of performances, including adventurous acts, thrilling stunts, classical presentations, and musical renditions. Young musicians impressed the audience by playing musical instruments themselves, creating a mesmerizing atmosphere.

The event featured a professionally designed stage, excellent sound system, and lighting effects, complemented by well-organized seating arrangements. The students' self-composed musical sequences, dynamic dances, and flawless anchoring in Marathi, Hindi, and English left the audience spellbound. Parents expressed that the cultural program was truly memorable and exceptional.

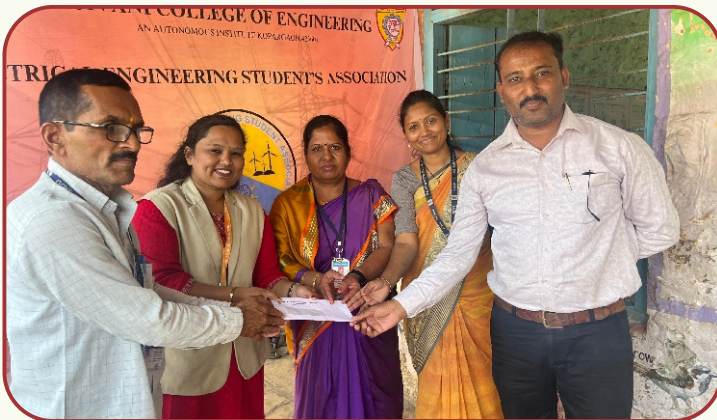

## EESA Celebrates Women's Day with Antakshari Program

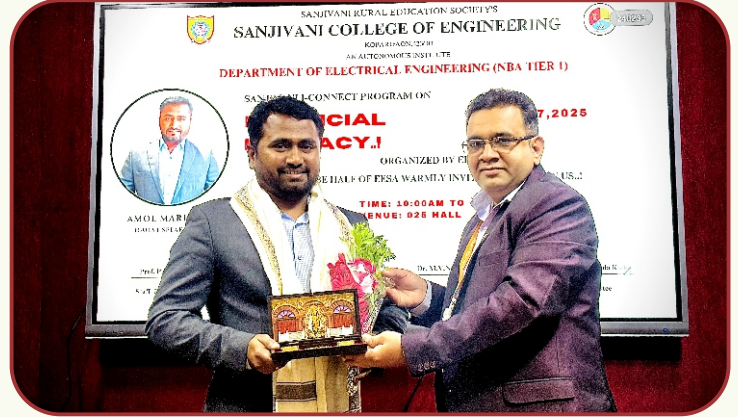

On the occasion of International Women's Day, the Electrical Engineering Students Association (EESA) hosted a fun-filled Antakshari Program for the SyBTech, TyBTech students, and our esteemed lady faculty members on 8th March 2025. The event was designed to celebrate and honor the contributions of women, bringing together students and faculty in a lively and engaging activity. The Antakshari competition, full of music, laughter, and teamwork, was a beautiful way to foster camaraderie, promote cultural exchange, and celebrate the spirit of women's empowerment within our college.

## EESA Celebrates Women's Day with Antakshari Program

As part of the National Safety Week, the Electrical Engineering Students Association (EESA) successfully organized a Safety Week Campaign at Z.P. School, Shingnapur on 10th March 2025. The campaign aimed to raise awareness about the importance of safety and promote safe practices among young students. Through interactive sessions, informative discussions, and fun activities, EESA members educated the children about various safety measures, from road safety to fire safety, empowering them with the knowledge to protect themselves and others.

## EESA Organizes Guest Lecture on 'Financial Literacy' by Mr. Amol Marekar

As part of the Sanjivani i-Connect initiative, the Electrical Engineering Students Association (EESA) organized an insightful Guest Lecture on 'Financial Literacy' on 17th March 2025. The session was conducted by Mr. Amol Marekar, an esteemed SEBI Officer, who shared his expertise on the importance of financial literacy and its role in personal and professional growth.

Mr. Marekar's engaging talk covered various aspects of financial management, investment strategies, and the significance of understanding financial markets. The lecture was informative and thought-provoking, providing valuable knowledge for students to manage their finances wisely and make informed decisions.

## Inventions and Innovation in science and technology, Ahilyanagar

We are extremely proud to announce that Sai Pawar and Tejas Kale from TyBTech have secured the 1st Prize in the Project Competition at Chhatrapati Shivaji Maharaj College of Engineering, Nepti, Ahilyanagar on 27th March 2025, during the Inventions and Innovation in Science and Technology event held in Ahilyanagar.

## Winner at the Project Competition at MET Bhujbal, Nashik

We are thrilled to announce that Mr. Tejas Bharud, Mr. Om Kulkarni, Mr. Sahil Revagde, Mr. Sarthak Adhav, and Mr. Saish Palande emerged as the Winners at the Project Competition held at MET Bhujbal, Nashik on 27th March 2025. Their innovative project impressed the judges and secured them the top position in this prestigious competition.

A special mention goes to Prof. Prachi R. Lokhande for her invaluable guidance and mentorship, which played a crucial role in their success. This remarkable achievement reflects their creativity, dedication, and technical skills, setting a high standard for excellence.

## Congratulations to the Winners of the Electronic Circuit Competition!

On 8th March 2025, we are excited to announce that Ganesh Gaikwad, Harshada Kolpe, Aakanksha Jadhav, and Samiksha Ajage from T.Y. Electrical secured the Second Prize in the Electronic Circuit Competition at Dr. V.V. Patil Institute of Technology & Engineering Polytechnic, Loni.

Their exceptional skills, creativity, and innovation in designing the electronic circuit earned them this well-deserved recognition. Congratulations to the entire team for their hard work and dedication! This achievement highlights the talent and excellence within our institution.

## Poster Competition at Dr.V.V.Patil Institute of Technology & Engineering Polytechnic, Loni

Congratulations to Anushka Shirsat for Winning Second Prize!

On 8th March 2025, we are delighted to announce that Anushka Shirsat from T.Y. Electrical has secured the Second Prize in the Poster Competition at Dr. V.V. Patil Institute of Technology & Engineering Polytechnic, Loni. Her creativity, artistic skills, and innovative ideas truly stood out, earning her this well-deserved recognition.

## LoGMIEER Techfest 2K25, Nashik

On 1st March 2025, we are thrilled to announce that Ganesh Gaikwad from T.Y. BTech has secured the 2nd Prize in the Electra Circuitry Competition held at LoGMIEER Techfest 2K25, Nashik. His technical expertise and innovative approach in the competition earned him this prestigious recognition.

Congratulations to Ganesh for this fantastic achievement! Your dedication and hard work continue to inspire us all. We look forward to seeing even more success in the future!

## MIT college, Technofair-2k25, Yeola

On 2nd March 2025, we are proud to announce that Tejas Sonawane, Abhijit Hon, Sahil Revagde, and Om Kulkarni from T.Y. BTech Electrical have secured the 2nd Prize in the Project Competition held at MIT College, Technofair-2K25, Yeola. Their innovative project impressed the judges and earned them this well-deserved recognition.

## IET K.K. Wagh National expo-25, Nashik

On 1st March 2025, we are excited to announce that Saiprasad Gosavi and his team secured the Second Prize in the Photography Competition at the IET K.K. Wagh National Expo-25, Nashik. Their exceptional skills and creativity in capturing moments earned them this well-deserved recognition.

## Ms. Bhakti Pawar Achieves Prestigious 5-Star SQL Badge on HackerRank, Showcasing Excellence in IT

We are thrilled to share that Ms. Bhakti Pawar, Assistant Professor in the IT Department, has earned the prestigious 5-Star Badge in SQL on HackerRank on 26th March 2025. This remarkable achievement highlights her expertise and dedication to mastering the intricacies of SQL. It's an inspiring accomplishment that reflects her commitment to continuous learning and excellence in her field.

## Sanjivani BTech Electrical Students Win 1st Place at LoGMIEER Techfest Project Competition!

On 1st March 2025, we are thrilled to announce that Samarth Pawar, Tejas Kale, and Sai Pawar from T.Y. BTech Electrical secured 1st Place in the Project Competition at LoGMIEER Techfest, Nashik. Their innovative project and exceptional teamwork impressed the judges, earning them the top spot in this prestigious competition.

## Guest lecture to MSc II (Chemistry) students on Functional Dyes

On 26th March 2025, a Guest Lecture on Functional Dyes was delivered by Dr. S.R. Dandwate to the students of M.Sc. Part 2 Chemistry at Sanjivani Senior College, Kopergaon. The lecture provided valuable insights into the fascinating world of functional dyes, their applications, and significance in various industries.

The session was well-attended, with 50 students actively participating and engaging in the discussions. Dr. Dandwate's expert knowledge and clear explanations made the topic both interesting and informative.

## Sanjivani College of Engineering Celebrates Sports Triumphs: Team IT Kabaddi & Table Tennis Shine, Multiple Teams Earn Runner-Up Honors

On 11th March 2025, we are thrilled to celebrate the outstanding performances of our students in various sports events. Congratulations to the Team IT Girls Kabaddi Team for their remarkable victory against the Mechanical Department! In Table Tennis, Team IT triumphed in the finals, with players Mr. Pradip Pagare, Mr. Parth Nandre, Mr. Shailesh Baviskar, Mr. Sagar Bhojane, and Mr. Sahil Borkar delivering an exceptional performance. We also applaud our Runner-Up teams in Handball (Girls), Disc Throw (Girls), Carrom (Boys & Girls), and the impressive achievements in the 100M Race, where Mr. Aniket Badakh (TY A) and Ms. Sakshi Hon (SY B) secured 2nd position. Additionally, the Shotput (Girls) team secured 3rd place. These remarkable achievements reflect the dedication, teamwork, and excellence fostered at Sanjivani College of Engineering. We congratulate all the winners and participants for their hard work and sportsmanship!

## MedAlign Team Wins First Prize & ₹50,000 at Innovera National Hackathon for Innovative IoT-Based Posture Detection Solution!

We are excited to announce that the MedAlign team from the Information Technology Department has secured First Prize with a cash reward of Rs. 50,000/- in the Innovera National Hackathon held at K. K. Wagh, Nashik on 3rd March 2025. Their winning project, titled "IoT-based Real-Time Solution for Posture Detection of Back, Shoulder, and Neck", impressed the judges with its innovation and practical application. A special thank you to Prof. Umesh Sangule for his valuable guidance and mentorship in shaping the success of this project. Congratulations to the team for their hard work, creativity, and dedication to excellence!

## Sanjivani B.Tech Students Secure Prestigious Internship at Yuan Ze University, Taiwan!

We are thrilled to extend our heartfelt congratulations to our T.Y. B.Tech students, Mr. Gaurav Ghusale, Mr. Rutvik Kadam, and Mr. Ishan Sasane, for being selected for an internship at Yuan Ze University, Taiwan! This incredible opportunity reflects their hard work, dedication, and exceptional skills. We are immensely proud of their achievement and confident that they will make the most of this valuable experience, enhancing their knowledge and global exposure. Wishing them all the best in this exciting journey ahead!

## Ms. Bhakti Pawar Achieves Prestigious 5-Star SQL Badge on HackerRank, Showcasing Excellence in IT

We are thrilled to share that Ms. Bhakti Pawar, Assistant Professor in the IT Department, has earned the prestigious 5-Star Badge in SQL on HackerRank on 26th March 2025. This remarkable achievement highlights her expertise and dedication to mastering the intricacies of SQL. It's an inspiring accomplishment that reflects her commitment to continuous learning and excellence in her field.

## Ms. Megha Kurhe Recognized as Advanced Technology Certified Faculty in AI & ML by Wipro's TalentNext Project!"

"Congratulations to Ms. Megha Kurhe for being recognized as an Advanced Technology Certified Faculty by the TalentNext Project on Artificial Intelligence and Machine Learning by Wipro on March 10, 2025!"

## Dark Tracers Team Wins 2nd Prize for Hyperspectral Imaging Project at Sanjivani's SIRD Workshop!

We are delighted to announce that our IT Department Team, Dark Tracers, secured 2nd Prize for their project titled "Hyperspectral Imaging and Color Science" during the 5-day workshop on Hyperspectral Imaging conducted by the SIRD Department of Sanjivani Group of Institutes from 3rd March to 8th March 2025. The workshop was led by Dr. Arvind Mukundan from National Chung Chung University, Taiwan, who shared his valuable expertise on this cutting-edge technology.

The winning team comprised of Mr. Aditya Kandalkar, Mr. Pratham Gade, Ms. Santoshi Madam, Mr. Kaushal Jare, Ms. Mate Soniya, Ms. Kale Prajakta, Mr. Magar Swarup, Ms. Sanskruti Upadhye, Ms. Imale Bhakti, Mr. Dophe Vinit, Ms. Rajput Rutuja, and Mr. Sagar Bhojane. Their exceptional project demonstrated creativity, technical knowledge, and collaboration.

## Ms. Prajkta Kale Wins SheInspires Women's Hackathon for AI-Powered Cloud Support Chatbot!

Congratulations to Ms. Prajkta Kale for emerging as the winner at the SheInspires Women's Hackathon, organized by Zensar and AWS on March 20-21, 2025! This exciting 2-day hackathon on Generative AI was an incredible experience. Along with Team EconoCloud, she built an AI-powered customer support chatbot for cloud services.

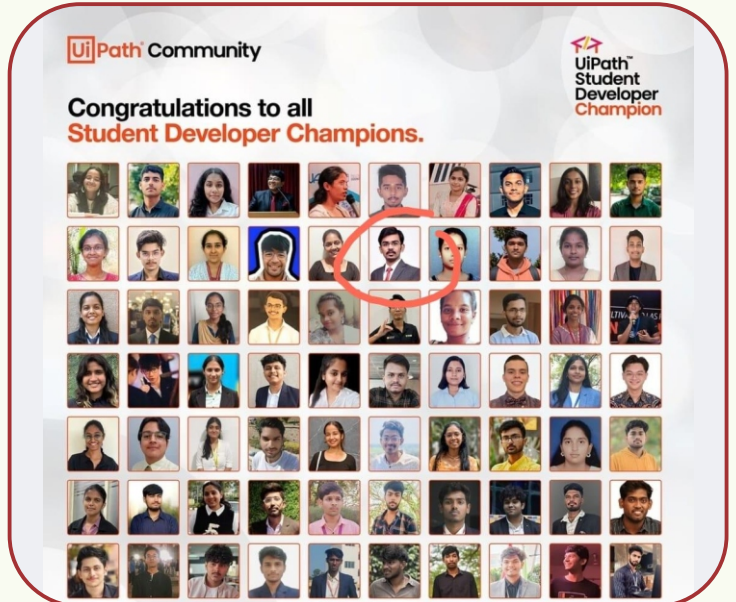

## Dr. M. A. Jawale Honored with 'Mahila Samrasta Puskar' for Outstanding Contributions to Society!

We are proud to congratulate Dr. M. A. Jawale for being honored with the "Mahila Samrasta Puskar" by Samajik Samrasta Manch, North Ahilyanagar District, on the occasion of Women's Day. This prestigious award recognizes Dr. Jawale's remarkable contributions and dedication to society, highlighting her commitment to empowerment, equality, and the well-being of others.

A well-deserved honor for a true role model! We are proud of your achievements and the positive impact you continue to make in the community. Congratulations, Dr. Jawale!

## Mr. Atharva Sanjay Bhavar Selected as UiPath Student Developer Champion for 2025-26!

Heartiest congratulations to Mr. Atharva Sanjay Bhavar from TY for being selected as a UiPath Student Developer Champion for 2025-26! Wishing him great success in this prestigious role."

## SCOE Hosts Guest Lecture by Alumni Jayesh Bhaware on "Shaping You"

**SANJIVANI UNIVERSITY**  
STRATEGIZE • SUCCEED • SHINE

Sanjivani University, Kopargaon, 14th March 2025 – Sanjivani College of Engineering (SCOE) successfully organized a guest lecture under the "Sanjivani I-Connect" initiative, featuring esteemed alumnus Mr. Jayesh Bhaware. The session, titled "Shaping You," was held in the Seminar Hall from 11:30 a.m. to 12:30 p.m., with enthusiastic participation of 135 students.

The lecture provided valuable insights into the transformative role of Artificial Intelligence (AI) and Computer Science Engineering in modern industries. Mr. Bhaware discussed AI's impact on various sectors, the importance of ethical innovation, and emerging career opportunities in the field. Drawing from his personal experiences, he emphasized the significance of continuous learning, adaptability, and interdisciplinary collaboration for thriving in a fast-paced technological landscape.

Students were inspired to think creatively, embrace innovation, and contribute responsibly to AI development. The session concluded with an interactive Q&A, where Mr. Bhaware addressed queries and motivated students to leverage AI for meaningful societal contributions.

The event was a resounding success, reinforcing SCOE's commitment to bridging academia and industry through alumni engagement and knowledge-sharing initiatives.

## National Level Symposium on AI & Data Science from 24th to 26th March

**SANJIVANI UNIVERSITY**  
STRATEGIZE • SUCCEED • SHINE

School of Engineering & Technology  
Computer Science & Engineering Department of AIDS  
Organizing

**National Level Symposium**  
on Artificial Intelligence & Data Science  
in Association with Finessefleet, Bengaluru

Speakers Profile

Prof. Rajsanthosh Kumar Kasina | Dr. R. Elakkiya | Rajeshvar Gupta | Dr. K. Venkatesh Guru.  
Assistant Professor, School of Applied Studies, Department of Computer Science and Engineering, VIT-AP, Vellore | Assistant Professor, Department of Computer Science, Assistant Professor, Department of Technology & Science, Finessefleet Foundation, Bengaluru | AI Trainer, CareerVig | Associate Professor at KJ Somaiya Institute of Engineering

24th March to 26th March 2025  
Time : 6.00 pm to 8.00 pm

Sanjivani University  
Kopargaoon

Event Coordinator | HOD, AIDS | Dean, SET | Vice Chancellor | President  
Sanjivani University | Sanjivani University | Sanjivani University | Sanjivani University | Sanjivani University

Sanjivani University, Kopargaon– A Three-Day National-Level Symposium on Artificial Intelligence (AI) and Data Science will be conducted online from 6:00 p.m. to 8:00 p.m. The symposium will feature distinguished speakers, including Prof. Raj Santhosh Kumar Kasina, Dr. R. Elakkiya, Mr. Rajeshvari Gupta, and Dr. K. Venkatesh Guru.

The sessions will provide students and professionals with in-depth insights into AI's transformative role across industries and the significance of data-driven decision-making. The experts will discuss key AI and Data Science concepts, tools, and techniques, along with the latest trends and career opportunities in these fields.

Attendees will gain valuable knowledge about the future impact of AI and Data Science, ethical considerations, and the evolving landscape of technology-driven innovation. This symposium aims to bridge the gap between academia and industry, equipping students with the skills needed to thrive in the digital era.

The event promises to be an enriching experience for participants, fostering learning, discussions, and professional growth in the ever-evolving domains of AI and Data Science.

## International Workshop on Image Processing by SIRD

Kopergaon, March 3, 2025 – Sanjivani University's International Relations Department (SIRD) successfully organized a one-day International Workshop on Image Processing, bringing together 50 researchers, academicians, and industry professionals worldwide. The workshop was inaugurated by Dr. Rajesh Kulkarni, Director of SIRD, and Dr. Sarah Evans, a leading expert in computer vision from the UK. The sessions covered key topics such as AI-driven image analysis, deep learning techniques, and medical imaging advancements. A practical session, led by Dr. Ananya Sharma, focused on real-world AI applications like facial recognition and medical diagnosis. The event fostered global networking and research collaborations, concluding with a panel discussion on emerging trends and ethical considerations in image processing. Dr. Kulkarni expressed gratitude to all participants and emphasized SIRD's commitment to fostering innovation through such international workshops. Participants praised the event's structure, discussions, and hands-on learning experiences, marking it as a significant step toward advancements in image processing technology.

## Industrial Visit to IBM, Pune – Bridging Academia and Industry

A group of 100 students from Sanjivani University's Artificial Intelligence & Machine Learning (AIML) and Artificial Intelligence & Data Science (AIDS) departments visited IBM Pune for an insightful industrial tour. The visit aimed to bridge the gap between academic learning and industry applications, offering students firsthand exposure to AI-driven innovations.

IBM experts conducted sessions on the latest trends in AI, Machine Learning, and Big Data Analytics, highlighting real-world applications, industry best practices, and career opportunities. Students engaged in interactive discussions and explored IBM's AI-powered solutions in cloud computing, predictive analytics, and cybersecurity. Demonstrations of real-world AI applications helped them understand how theoretical concepts translate into industry use.

The visit provided invaluable insights into emerging technologies and enhanced students' industry readiness. Faculty members appreciated IBM's efforts in fostering young talent, and students expressed enthusiasm for the exposure to cutting-edge AI advancements. Sanjivani University remains committed to strengthening industry-academia collaboration through such immersive learning experiences.

## Dr. Vinod R. Malkar Honored by Tarlac Agricultural University

Tarlac, Philippines – March 12, 2025 – Dr. Vinod R. Malkar has been awarded a Certificate of Appreciation by Tarlac Agricultural University (TAU) for his contributions as a Guest Professor in the Collaborative Online International Learning (COIL) Program.

Held from February 19 to March 12, 2025, via Zoom, the COIL Program connected global academic experts with TAU's College of Business and Management students. Dr. Malkar's sessions on business education, global management strategies, and innovative teaching methodologies provided an interactive and enriching learning experience.

The honor was presented by TAU President Dr. Silverio Ramos DC. Salunson, who commended Dr. Malkar's dedication and expertise. This recognition highlights his commitment to global academic collaboration and strengthens educational ties between India and the Philippines, paving the way for future partnerships in higher education and research.

## Ms. Priya Singh Earns A+ Grade in FDP on NEP-2020

We are proud to announce that Ms. Priya Singh, Assistant Professor at Sanjivani University, has successfully completed the Faculty Development Program (FDP) on NEP-2020: Orientation & Sensitization under the Malaviya Mission Teacher Training Programme (MM-TTP) with an A+ Grade.

Organized by UGC-MMPTTC, JNV University, Jodhpur, under the University Grants Commission (UGC), Ministry of Education (MoE), Government of India, the FDP took place from March 10 to 21, 2025. Ms. Singh's outstanding performance reflects her dedication to academic excellence and her in-depth understanding of the National Education Policy (NEP) 2020.

Sanjivani University congratulates Ms. Priya Singh on this remarkable achievement and looks forward to her continued contributions to education and policy implementation.

## Dr. Tanay Ghosh Successfully Completes Faculty Development Program on Quantum Technologies

Dr. Tanay Ghosh has successfully completed the Online Faculty Development Program (FDP) on Quantum Technologies and Quantum Computation, conducted under the joint initiative of IBM, DST, AICTE, and EICT. This program aimed to empower faculty members from AICTE-affiliated colleges with the expertise needed to teach quantum computing courses at the undergraduate level.

The FDP provided in-depth training on quantum mechanics, quantum algorithms, and quantum computing frameworks. Renowned industry experts and academicians, including Dr. Aswath, delivered hands-on sessions on emerging quantum technologies, quantum programming, and real-world applications.

By participating in this program, Dr. Ghosh has enhanced his knowledge and skills in quantum computing, contributing to the development of future-ready educators. This achievement strengthens the academic ecosystem by bridging the gap between theoretical learning and industry applications in quantum technology.

## Sanjivani University Students Shine in DIPEX Round 1 & E-Yantra Innovation Challenge

Students from the Artificial Intelligence & Machine Learning (AIML) and Artificial Intelligence & Data Science (AIDS) departments of Sanjivani University successfully participated in DIPEX Round 1 and the Impulse Sprint E-Yantra Innovation Challenge, an initiative by IIT Bombay.

Demonstrating exceptional innovation and technical skills, four students have successfully advanced to the third stage of the E-Yantra Innovation Challenge with their unique project idea. Their progress reflects their dedication and potential to reach the final round.

Sanjivani University congratulates all participants for their outstanding efforts and wishes the advancing students continued success in the upcoming stages of the competition!

## Department of BBA Wins General Championship at Sanjivani University Annual Fest 2K25

The Department of BBA has proudly secured the General Championship at the Annual Fest 2K25, excelling across various competitions and redefining victory with their stellar performances. Organized by the Student Activity Council (SAC), the fest saw enthusiastic participation from multiple departments, but the BBA students outshined all, claiming the top honor.

The event featured a diverse mix of cultural, sports, technical, and literary competitions, testing students' skills, creativity, and teamwork. The BBA Department dominated multiple categories, demonstrating exceptional talent, leadership, and unity.

The victory celebration was a proud moment for both students and faculty, as they came together to cheer for their achievement. The championship trophy, symbolizing dedication and perseverance, was displayed with pride as students posed for a triumphant group photo.

Beyond competition, Annual Fest 2K25 served as a platform for holistic development, sportsmanship, and excellence in extracurricular activities. The BBA Department's success stands as a testament to their commitment to all-round excellence.

Congratulations to the Department of BBA on this outstanding achievement!

## Shirley Setia Live Concert & DJ Rubz Ignite an Unforgettable Night at Sanjivani University

Sanjivani University witnessed an extraordinary evening of music and entertainment on March 8th, as Bollywood sensation Shirley Setia and renowned DJ Rubz delivered stellar performances that left the audience spellbound. The Shirley Setia Live Concert & DJ Night emerged as the crown jewel of the university's grand cultural celebrations, captivating students, faculty, and guests alike.

The night unfolded with Shirley Setia's mesmerizing performance, as she enchanted the crowd with a repertoire of her most beloved Bollywood hits and independent tracks. Her soulful voice resonated across the venue, creating an enchanting atmosphere that had the audience singing along in unison.

As the evening escalated, DJ Rubz took center stage, transforming the venue into a pulsating dance haven. His high-energy mixes and electrifying beats kept the crowd on their feet, ensuring an unrelenting wave of excitement and celebration.

The event, meticulously organized by Sanjivani University, was a resounding success, reaffirming its dedication to curating world-class cultural experiences for its students. The overwhelming enthusiasm and fervor from attendees underscored the university's commitment to fostering a vibrant campus life, where entertainment and creativity thrive.

With its blend of musical brilliance and electrifying energy, the Shirley Setia Live Concert & DJ Rubz Night set a new benchmark for cultural festivities at Sanjivani University, leaving behind cherished memories that will resonate for years to come.
