Creating World-Class Pharmacists Is PCI's Mission – PCI President Mr. Jasubhai Chaudhary

Welcome Ceremony for New Students & Inauguration of Generic Medical Stores at Sanjivani College of Pharmacy

SGI President Mr. Nitin Dada Kolhe felicitating PCI President Mr. Jasubhai Chaudhary during the "Diksharambh 2025" program organized by Sanjivani College of Pharmacy.

Kopargaon: The Pharmacy Council of India (PCI) will soon include modern, globally benchmarked curriculum components in pharmacy education. India has taken a leading role in supplying generic medicines worldwide, which has enhanced the nation's reputation in the pharmaceutical sciences. There are abundant global employment opportunities for pharmacists (pharmaceutical scientists). To help students seize these opportunities, PCI is introducing the necessary changes in the pharmacy curriculum to prepare world-class pharmacists, stated PCI President Mr. Jasubhai Chaudhary.

Mr. Chaudhary was speaking as the Chief Guest at the "Diksharambh 2025" welcome ceremony for newly admitted students of M.Pharm, B.Pharm, and D.Pharm for the academic year 2025–26, as well as at the inauguration of the newly established Generic Medical Stores under the Pradhan Mantri Bharatiya Janaushadhi Pariyojana at Sanjivani College of Pharmacy.

SGI President Mr. Nitin Dada Kolhe presided over the event.

Other distinguished guests included:

- Mr. Prashant Patil, General Manager, Glenmark Pharma, Chhatrapati Sambhajinagar
- Dr. Rajan Shendge, Head of Academic Governance
- Dr. Vipul Patel, Director, Sanjivani College of Pharmacy
- Dr. Nilesh Pendhaje, Principal, D.Pharm

New students, current students, and parents attended the program in large numbers.

At the beginning, Dr. Patel welcomed everyone and highlighted the major achievements of Sanjivani College of Pharmacy. Emphasizing research, he said students should actively participate because various departments of the Government of India have sanctioned ₹2 crore for research activities. Under the guidance of SGI President Mr. Nitin Dada Kolhe and Managing Trustee Mr. Amit Kolhe, the college conducts several innovative initiatives. As a part of this vision, Sanjivani College of Pharmacy has become the first educational institution in the country to launch "Generic Medical Stores."

Continuing his address, Mr. Chaudhary said that students from rural areas should never feel inferior. They should work in any medical or pharmacy-related setting during vacations, as this will benefit their learning and strengthen their conceptual understanding. He advised students to make extensive use of the library. "Just as I was invited today for Diksharambh 2025, invite me again four years later for your graduation ceremony," he concluded.

Mr. Prashant Patil said, "This is the land of Shukracharya—the originator of Sanjivani Vidya—and Sai Baba. Students truly receive 'Sanjivani' (life-giving knowledge) here. Every teacher is like God; benefit from their guidance."

Presiding over the event, Mr. Nitin Dada Kolhe said students should participate in all activities for their holistic development. The faculty here is fully capable of guiding them. He urged students to fulfill their parents' dreams. Addressing the parents, he assured them that their children are safe at Sanjivani, but their cooperation is essential for the students' progress.

30 Sanjivani Engineering College Students Secure Attractive-Pay Jobs

Amber Enterprises India Ltd. selects students – A strong start to the academic year

Managing Trustee of Sanjivani Group of Institutes felicitating a group of selected students placed in Amber Enterprises India Ltd. Photo captured after the felicitation ceremony. Directors and department heads were present.

Kopargaon: A total of 30 students from Sanjivani Engineering College have been selected for employment with Amber Enterprises India Limited, receiving attractive salary packages. This golden opportunity was made possible through the initiative of the college's Training and Placement Department.

Among the selected students are:

- 11 from Mechanical Engineering		- 10 from Electrical Engineering
- 08 from Mechatronics Engineering		- 01 from MBA department

Last year as well, the company had recruited five Mechanical Engineering students with impressive salary packages. These students successfully fulfilled their responsibilities as per company standards, earning the management's trust. This positive performance strengthened the company's confidence in Sanjivani, resulting in a remarkable 30 selections this year, marking an excellent beginning to the current academic year.

The selected students are:

Mechanical Engineering: Kiran Balasaheb Garje, Rahul Sanjay Ghule, Rutuja Shankargir Ghuge, Pranav Vijay Jadhav, Yash Krishna Kadam, Payal Diplal Rajput, Sakshi Goraksha Shinde, Shubham Anil Kamble, Aishwarya Shankar Somwanshi, Vinit Manoj Gunjal, Om Arjun Waghmode

Electrical Engineering: Samiksha Changdev Azge, Gaur Balu Chindhe, Gaurav Sandip Ilag, Tejas Satish Kale, Kartiki Shantaram Khatal, Harshada Nanaheb Kolpe, Amit Kiran Mali, Renuka Arjun Patole, Sakshi Bhivsen Pawar, Abhishek Santosh Gawhane

Mechatronics Engineering: Karan Sanjay Gaikwad, Shubham Rinakant Kabadi, Sarvesh Sunil Mandalik, Irfan Makbul Nhavkar, Shreyash Sanjay Roham, Sakshi Santosh Sakhare, Pavan Suresh Ghule

MBA: Mayuri Bhagwan Bhongal

Chairman of Sanjivani Education Campus Mr. Nitin Kolhe congratulated all selected students. Director Dr. M. V. Nagarhalli, Heads of Departments Dr. R. A. Kapgate, Dr. P. M. Patare, and Prof. Dhananjay Kumbhar were present during the event.

Harshada Kolpe (Student, Sanjivani Engineering College, Kopargaon): "I am a resident of Kolpewadi, and my father is a farmer. My parents trusted that Sanjivani would help build my career. Since Sanjivani Engineering College is autonomous, the curriculum taught here meets industry requirements. I took admission in Electrical Engineering."

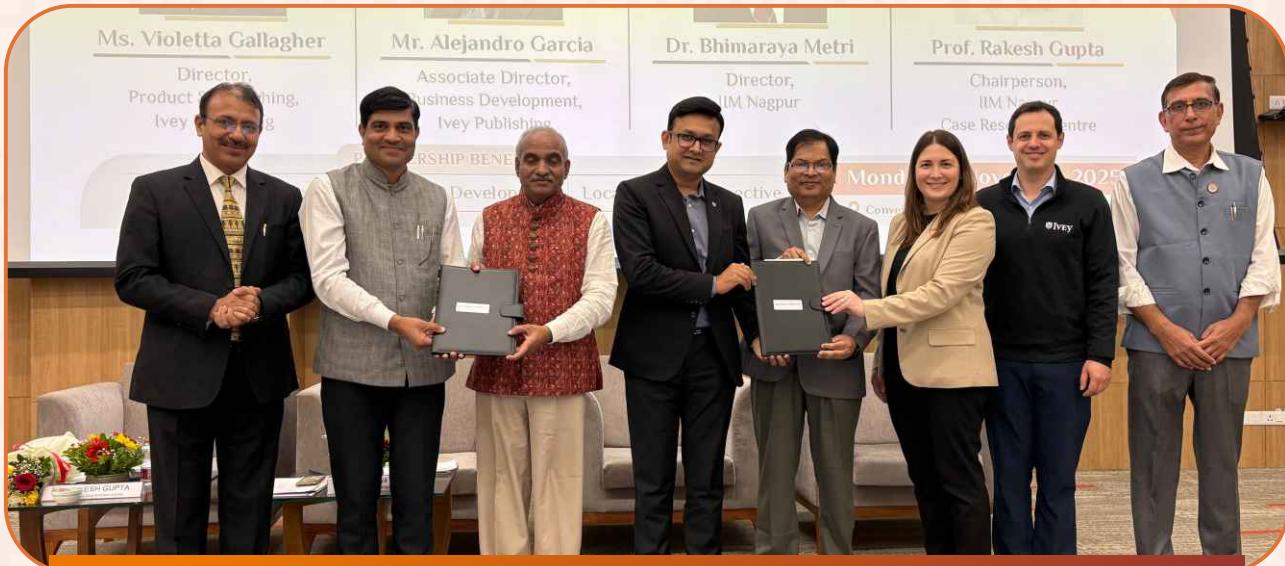

Through the college, I secured a two-month internship where I got the opportunity to work using the Power BI software. Our department also arranged timely expert lectures from industry specialists, which significantly shaped my learning.

I have now secured a well-paying job at the reputed Amber Enterprises company. My parents' dream has come true."

Harshada Kolpe
(Student, Sanjivani Engineering College, Kopargaon):

Sanjivani University Signs MoU with IIM Nagpur Global-Standard Exposure for MBA, BBA, and B.Com Programs

Representatives of Sanjivani University and IIM Nagpur exchanging the MoU documents during the signing ceremony.

Kopargaon: Sanjivani University has always been committed to providing its students with world-class education and enabling them to establish themselves successfully in a highly competitive global environment. As a major step in this direction, the university has signed a Memorandum of Understanding (MoU) with the prestigious Indian Institute of Management (IIM), Nagpur, adding a significant dimension to its academic ecosystem.

IIM Nagpur is one of India's leading management institutions. Additionally, Ivey Business School in Canada is a globally renowned institute in management education. Through this MoU, Sanjivani University and IIM Nagpur will jointly publish case studies at the Ivey Publishing Center, Canada, which will then be taught to the students.

This collaboration will provide Global Standard learning to MBA, BBA, and B.Com students, giving them strong exposure to high-quality business case studies, the university stated in its press release.

The MoU was signed during the inauguration of the IIM Nagpur Case Research Center. Representing Sanjivani University were: President: Mr. Amit Kolhe, Vice-Chancellor: Dr. A. G. Thakur, Dean: Dr. V. R. Malkar

Representing IIM Nagpur were: Director: Dr. Bhimaraya Metri, Dr. Rakesh Gupta, Case Research Center, Ms. Violet Gallagher, Director of Production & Dissemination

This MoU will bring global benchmark-based education directly to Sanjivani, empowering students with enhanced analytical ability, decision-making skills, and real-world problem-solving competence.

Sanjivani Alumni Meet Held in London : Gratitude Expressed for Founder Late Shankarrao Kolhe – Alumni Assure Support for Future Students

A group photograph captured during the Sanjivani Alumni Meet held in London, in which Sanjivani University President Mr. Amit Kolhe, Dr. Kapgate, Dr. Shendge, and Dr. Pawar were present.

Kopargaon: A grand alumni gathering of former students of the Sanjivani Group of Institutes—who completed their studies in Engineering, MBA, Polytechnic, Pharmacy and other institutions under Sanjivani and are currently working in various esteemed positions across the United Kingdom—was recently held at the Indian Gymkhana Club in London (UK). During the meet, the alumni expressed heartfelt gratitude towards the institute's founder, Late Shankarrao Kolhe, and Chairman, Mr. Nitin Kolhe, stating that because professional education was made available in a rural region like Kopargaon, they were able to secure global opportunities. The alumni also assured that they would extend maximum help to Sanjivani students who come to the UK in the future.

Representing Sanjivani at the event were Mr. Amit Kolhe, Managing Trustee of Sanjivani Group of Institutes and President of Sanjivani University, along with Dr. A. B. Pawar, Academic Dean of the Engineering College, Dr. R. A. Kapgate, Head of Mechatronics Engineering, and Dr. R. S. Shendge, Head of Academic Governance. This information was shared through an official press release.

The press note further stated that the event was successfully led and organized by alumni Shridhar Biravelli (Senior Enterprise Architect, Cytiva), Vinit More (Manager, Ardagh Group), Prakash Adamane (Director, Yussah Ltd.), and Anil Golhar (Solutions Architect). Currently, around eighty-one Sanjivani alumni are working across the UK, of which forty-three attended the meet. Several distinguished alumni were felicitated for their contributions: Paritosh Ghadiyali, who has lived in the UK for the past thirty years, received the “Pride of Sanjivani in the UK Award”; Preeti Iyer, who has been in the UK for eighteen years, was honoured with the “Sanjivani Shakti Award”; and Vohra Mohammed, who has resided there for twenty-two years, received the “Sanjivani UK Star Award.” Many alumni shared their thoughts and expressed deep gratitude towards Sanjivani. Chairman Mr. Nitin Kolhe expressed his appreciation for this initiative.

To ensure students receive global-standard knowledge, Sanjivani has established several international collaborations with foreign universities. In continuation of this vision, the Sanjivani delegation visited leading UK institutions such as Brunel University, City-St. George's University of London, Cambridge, University of Bath, University of Bristol, University of Anglia, and others, where they engaged in academic discussions with experts.

The press note also highlighted that the true wealth of any educational institution lies in its alumni. Since 1983, nearly thirty-five thousand students have graduated from Sanjivani and are successfully handling important responsibilities across the world, which is a matter of pride for the institution. The purpose with which Late Shankarrao Kolhe founded the Sanjivani knowledge temple has been fulfilled through this global alumni network. Under the guidance of Chairman Mr. Nitin Kolhe, various initiatives are being implemented to further strengthen this mission, enabling every institution under Sanjivani University to set new milestones. “In Sanjivani's forty-year journey, the contribution of alumni has been immense,” stated Mr. Amit Kolhe, President of Sanjivani University.

Four Students from Sanjivani Engineering College Selected for Jobs at Schneider Electric Job Offers Issued Even Before Final Results – Sanjivani's Tradition Continues

Managing Trustee of Sanjivani Group of Institutes, Mr. Amit Kolhe, felicitating the four students selected by Schneider Electric. A group photo taken after the ceremony. Dr. Nagarhalli, Dr. Pardeshi, and Dr. Patare were present.

Kopargaon: The Training and Placement (T&P) Department of Sanjivani Engineering College, which has autonomous status, is committed to ensuring that final-year students receive job offers from reputed companies even before their final results are declared. With this goal, a campus placement drive by Schneider Electric India Pvt. Ltd. was recently conducted. During this drive, the company selected four students with attractive salary packages. Thus, the T&P department has once again upheld its tradition of placing students early and handing them appointment letters well before their examinations are completed, the college stated in its press release.

According to the release, Schneider Electric India Ltd., a leading company in various electrical sectors, selected Rutuja Prakash Bhalerao and Vaishnavi Trimbak Sanvatsarkar from the Mechanical Engineering department, and Ashish Anil Kokate and Omkar Sanjay Bhabad from the Electrical Engineering department.

The T&P Department continuously interacts with various industries to ensure that students develop industry-standard skills. Information about company products, machinery, and software is regularly shared with students. Extensive interview practice is provided, and only when the department is confident about the students' preparedness are company representatives invited. As a result, students are selected with expected packages. These placements have contributed to improving the economic condition of families in rural areas.

Sanjivani Chairman Mr. Nitin Kolhe congratulated all selected students and their parents.

Managing Trustee Mr. Amit Kolhe felicitated the selected students in a small ceremony.

Director Dr. M. V. Nagarhalli, Head of Electrical Engineering Dr. Dipesh Pardeshi, and Head of Mechanical Engineering Dr. Prasad Patare were present on the occasion.

Rutuja Bhalerao's Journey

"I belong to a middle-class family from Sawalivihir. My father drives an auto-rickshaw in Kopargaon. I have one sister and one brother, and my mother is a homemaker. After completing my Class 12 exams, I wanted to study engineering in Pune. But my father explained that Sanjivani Engineering College near our home is known for guaranteed job opportunities—so why go to Pune? I researched Sanjivani myself and took admission here. The college trained me thoroughly for interviews, because of which I got selected by Schneider Electric. I give full credit to my college. My younger sister is now in Class 12, and I will definitely admit her here as well."

— Rutuja Bhalerao

Sanjivani Polytechnic Honoured with 'Best Institute (Diploma – Rural)' Award by ISTE Another Prestigious Feather Added to Sanjivani's Cap

Managing Trustee of the Sanjivani Group of Institutes, Mr. Amit Kolhe, felicitating the Principal, Heads of Departments, Deans, and Coordinators following the institute's selection for the ISTE 'Best Institute' Award. Group photo taken after the felicitation ceremony.

Kopargaon: Sanjivani K. B. P. Polytechnic, run by the Sanjivani Group of Institutes, has been honoured with the 'Best Institute (Diploma – Rural)' award by the Indian Society for Technical Education (ISTE), an all-India professional organization dedicated to the advancement of technical education. Despite being located in a rural area, Sanjivani Polytechnic has consistently set exceptional benchmarks in various fields and remained at the forefront of academic excellence. This award has added yet another prestigious feather to Sanjivani's cap, the institute stated in its press release.

According to the release, the institute's Principal A. R. Mirikar received the award at a grand ceremony held in Pune. The award was presented by ISTE Chairman Dr. Ranjit Sawant, in the presence of Secretary Prof. K. P. Kumbhar, National President Mr. Pratapsinh Desai (New Delhi), and Joint Director of the Department of Technical Education (Pune Region) Dr. Dattatray Jadhav. Maharashtra and Goa together have nearly four hundred polytechnic institutes located in rural areas. Among them, Sanjivani's pioneering work in technical education earned it this highest recognition—an honour that stands as a true tribute to the institute's founder Late Shankarrao Kolhe. Sanjivani Polytechnic has been a long-standing member of ISTE and has organized numerous competitions under its banner, which were also considered while selecting it for the award.

Sanjivani Chairman Mr. Nitin Kolhe and Managing Trustee Mr. Amit Kolhe congratulated Principal Mirikar, ISTE Coordinator Dr. Sandesh Tanpure, all Heads of Departments, Deans, teaching and non-teaching staff, and all students for this outstanding achievement.

The Legacy of Late Shankarrao Kolhe and the Rise of Sanjivani Polytechnic

In 1982, Late Shankarrao Kolhe established Sanjivani K. B. P. Polytechnic as the very first institution under the Sanjivani Group of Institutes. His vision was to enable rural youth to become self-reliant within just three years after completing their 10th standard. This vision turned into reality: today, in nearly every village across Kopargaon and neighbouring talukas, one can find young men and women who graduated from Sanjivani and are now successful professionals or entrepreneurs.

The academic discipline and values laid down by Late Kolhe at the very beginning are still strictly upheld under the guidance of the current Chairman, Mr. Nitin Kolhe. As a result, Sanjivani Polytechnic became Maharashtra's first autonomous polytechnic in the unaided category. Additionally, the institute has achieved several milestones: all its departments have secured NBA accreditation for 12 consecutive years, it has received the AICTE 'Clean and Smart Campus' Award (2nd Rank nationally), the 'Excellence Polytechnic' Award from the Institution of Engineers (Kolkata), the 'Best Polytechnic' Award from the Maharashtra Association of Unaided Polytechnics, and has demonstrated remarkable performance in sports and many other areas.

"This ISTE award is dedicated to our founder, former minister, cooperative visionary, and pioneer of socio-economic transformation—Late Shankarrao Kolhe."

— Mr. Amit Kolhe, Managing Trustee

Sanjivani International School Wins Gold and Silver Medals at District-Level Baseball Championship Boys' Gold-Winning Team to Represent Ahilyanagar District at Division-Level Tournament

Director of Sanjivani Group of Schools, Dr. Manali Kolhe, felicitating the baseball teams of Sanjivani International School for winning gold at the district-level tournament. Group photo taken after the ceremony, with the principal and coaches present.

Kopargaon: In the recently held district-level under-14 baseball championship at Ahilyanagar, Sanjivani International School, Shirdi—run by the Sanjivani Group of Institutes—delivered an exceptional performance. The boys' team clinched the gold medal, while the girls' team secured the silver medal, reaffirming that Sanjivani International School excels not only academically but also in the field of sports. The boys' team will now represent Ahilyanagar district at the division-level tournament in Pune on December 5, and the players are rigorously preparing with a strong desire to bring home victory, the school announced through its press release.

The press note further stated that the boys' team of Sanjivani International School defeated Sanjivani Sainiki School in the pre-quarterfinal with a score of 12–05, and later overpowered Sanjivani Academy, Kopargaon in the semifinals by 09–01, advancing directly to the finals. In a one-sided and fiercely competitive final match, the team showcased outstanding dominance by defeating the Abasaheb Kakade School team from Shevgaon with an impressive 11–00 score, thus sealing the gold medal. In the girls' division, Sanjivani International School reached the semifinals and fought a close contest against Abasaheb Kakade School, ultimately securing the silver medal.

The boys' gold-winning team comprised Virat Anil Pawar, Udayraj Milind Shelke, Dhruv Raju Porandla, Aniruddha Nilesh Gondkar, Shrihari Ganesh Tantak, Samarth Sadashiv Gondkar, Archit Sunil Pangavhane, Rudransh Pankaj Mali, Mannan Yash Lohade, Shrijay Nikhil Borawake, Chaitanya Mukund Dahale, Rajveer Prashant Kadu, Dnyanesh Pavan Bhutada, Krishna Nitin Gholap, and Adwait Achyut Fofase, all of whom displayed exemplary sporting skill.

The girls' team included Rajvika Amit Kolhe, Ritika Ravindra Gondkar, Devyani Nilesh Hon, Saeesha Prashant Hon, Tanvi Atul Gondkar, Akshada Bharat Bansode, Akshada Sunil Pangavhane, Pihu Pankaj Mote, Samanvi Sunil Shinde, Aadhyaa Anand Kale, Aradhya Sachin Shinde, Sanskruti Gadekar, Teertha Sayaji Kadu, and Sanvi Ganesh Vikhe, who all demonstrated remarkable athletic ability.

Sanjivani Group of Institutes Chairman Mr. Nitin Kolhe and Managing Trustee Mr. Amit Kolhe congratulated both teams and their coaches, Mr. Virupaksha Reddy and Ms. Akanksha Pakhalè. Director of Sanjivani Group of Schools Dr. Manali Amit Kolhe felicitated both teams. Principal Reena Rajput and the sports coaches were present on the occasion.

Two Students from Sanjivani Engineering College Selected by Sellable Technologies with an Annual Package of ₹7 Lakh

Management's Consistent Efforts to Create Job Opportunities for Needy and Deserving Students

Managing Trustee of Sanjivani Group of Institutes, Mr. Amit Kolhe, felicitating Vaishnavi Bajdote and Deeparaj Autade on their selection by Sellable Technologies. A group photo taken after the ceremony, with Dr. Nagarhalli and Dr. Jawale present.

Kopargaon: Through the efforts of the Training & Placement (T&P) Department of Sanjivani Engineering College, a campus placement drive was recently conducted by Sellable Technologies. In this drive, Vaishnavi Prashant Bajdote and Deeparaj Rajendra Autade, both students of B.Tech Computer Engineering, were selected for employment with an annual package of ₹7 lakh. This information was shared by the college in its official press release.

The release further stated that Sanjivani management is deeply committed to ensuring that every deserving and needy student receives the opportunity for a good salary and a promising career. Keeping the trust of students and parents in mind, the management—through various initiatives—continuously prepares students to meet the expectations and standards of different companies. These sustained efforts are yielding excellent results. Sellable Technologies, which recently selected the two students, is a leading software services company working in the areas of Data Science, Big Data, and Enterprise Cloud.

Sanjivani Chairman Mr. Nitin Kolhe congratulated both selected students and their parents. Managing Trustee Mr. Amit Kolhe felicitated the two talented students in a small ceremony. Director Dr. M. V. Nagarhalli and Head of Department Dr. Madhuri Jawale were present on the occasion.

"I am a resident of Kopargaon. My father is a small businessman and my mother is a homemaker. I completed my 11th and 12th at Sanjivani Junior College. Since then, I knew the level at which Sanjivani Engineering College operates. My sister had tried for admission to Sanjivani Engineering College in 2021 but couldn't secure a seat due to low CET marks. Seeing this example at home, I decided that I wouldn't face the same situation. So, in Class 12 Science, I studied very hard and fulfilled my dream of getting admission into Sanjivani.

From the second year onwards, the college worked on our overall development through various initiatives. Most students hope to get placed through the college itself, and so did I. Since Sellable Technologies and our college have an MoU, we were given well-designed lessons in AI and Data Science. I developed a strong interest in this new technology and kept improving myself. I never had to go outside for extra training because our college—being autonomous—had already included this technology in the curriculum, which made learning easier.

The T&P Department trained us right from how to prepare a resume to conducting multiple mock interviews. Finally, I secured a job in Sellable Technologies in the field I love, with an annual package of ₹7 lakh. This was possible only because of Sanjivani."

— Vaishnavi Bajdote

Electrical Engineering Placements: Triumph in Campus Selection!

We extend our heartfelt congratulations to the brilliant students of the Electrical Engineering Department—Ganesh Gaikwad, Santosh Autade, Pooja Kote, and Kalyani Thorat—for their successful selection in renowned companies, Buhler and Scherler, during the campus placement drive held on November 1st, 2025. The entire placement activity was successfully coordinated by Prof. Bibave and Prof. Kadam, whose guidance proved invaluable.

Mechanical Engineering Stars Shine in UNO Minda Competition!

The Department of Mechanical Engineering proudly extends its heartfelt congratulations to Mr. Shubham Kamble and Mr. Karthik Chavan for achieving a remarkable feat: their selection into the prestigious top 28 team of the UNO Minda Competition. This significant accomplishment, announced on November 7th, 2025, highlights their exceptional technical prowess, innovative thinking, and commitment to excellence. We applaud their hard work and dedication.

Mechanical Engineering: Dr. Bhosale Secures Copyright for Innovative Pedagogy!

The Department of Mechanical Engineering is proud to announce and extend its heartfelt congratulations to Dr. K. C. Bhosale for successfully securing a copyright registration on November 12th, 2025, for his innovative teaching approach, titled "Each One Reach One." This copyrighted pedagogy is specifically designed to maximize learning outcomes by actively promoting peer-to-peer learning, collaborative efforts, and enhanced student engagement within the classroom environment. We celebrate Dr. Bhosale's commitment to educational excellence and innovation.

The Sanjivani Student Alumni Relation Cell (SARC), coordinated by Dr. N. K. Darwante, Dean, Alumni, celebrated the joyous spirit and innocence of childhood on Children's Day, November 14th, 2025. This celebration pays tribute to the vision and deep love for children expressed by Pandit Jawaharlal Nehru. The SARC aims to spread positivity and emphasizes the importance of nurturing young minds with the utmost care, creativity, and compassion, ensuring that every child has the opportunity to thrive and explore their potential within the Sanjivani community.

IT Department Conducts Cyber Awareness Session for MBA Students

The Department of Information Technology's Cyber Security Team successfully conducted a crucial Cyber Awareness Program for MBA First Year students on November 3rd, 2025. The session was organized under the guidance of Dr. C. D. Bawankar, with the team members being Mr. Vaibhav Kalwaghe, Ms. Kaveri Lute, Ms. Vaishnavi Mahadik, Ms. Nilakshi Kuldhar, Mr. Satyam Nirmal, and Ms. Payal Shinde. The primary objective was to spread awareness about prevalent cyber threats, particularly social engineering attacks, which are critical risks in a business environment. The team provided practical demonstrations of ethical hacking tools like Hydra and John the Ripper. Key topics emphasized included password security, phishing awareness, and preventive measures such as using strong passwords, implementing multi-factor authentication, and adopting safe online practices. This initiative highlights the importance of cyber security literacy for future business professionals.

Information Technology Students Excel in Bharat AI Quest!

The Department of Information Technology extends its heartiest congratulations to students Ms. Gaikwad Samruddhi Ashok, Mr. Sarvesh Atulrao, and Mr. Chavan Abhishek Lahu for their exceptional participation and success in the Bharat AI Quest competition. This prestigious national AI and Data Science contest was organized by the National Payments Corporation of India (NPCI) in collaboration with NVIDIA and held at IIT Bombay on November 3rd, 2025, as a part of the Global Fintech Fest (GFF) 2025. The students successfully navigated two challenging rounds: an online MCQ assessment covering concepts in AI/ML, Deep Learning, MLOps, and Python, followed by a rigorous, real-world Data Science coding challenge. By clearing both stages and competing effectively against participants from across the country, our team earned the esteemed recognition of Bharat AI Experts and secured a GFF 2025 Pass, gaining the opportunity to attend one of the biggest Fintech innovation events.

Electrical Engineering Students Shine in Placement Drive

We are happy to announce the outstanding success of our Electrical Engineering students in the recent placement drives coordinated by Prof. R. Bibave and Prof. B. Kadam on November 28th and 25th, 2025. A huge round of applause and hearty congratulations to Thete Tejas Vijay and Sai Dilip Pawar for securing their final placements with FOX Solutions! In addition, a special congratulations goes to Gosavi Saiprasad Uttam, Aditya Sandip Chandar, and Dipesh Kashinath Baviskar for their selection as paid interns with FOX Solutions. Furthermore, we extend our enthusiastic best wishes to Vidya Sanjay Ahire, Sahil Laxman Revgade, Ritesh Maharu Chavan, Abhishek Santosh Gavhane, Saish Pramod Palande, Rohan Shailesh Gangurde, and Ganesh Vasant Ghorpade for their selection in JK Maini Precision Pvt Ltd.! These achievements reflect the dedication and hard work of our students and faculty.

IT Faculty Excel in "Design Thinking" FDP at Zensar

The Department of Information Technology proudly extends its heartiest congratulations to Dr. M. A. Jawale, Prof. A. A. Barbind, and Prof. K. D. Patil for successfully completing the intensive 2-Day Faculty Development Program (FDP) on "Design Thinking." The program, held on November 4th and 5th, 2025, was conducted by the esteemed Mr. Pawan Soni from IIM Bangalore and generously sponsored by RPG Zensar, Pune. The FDP offered an enriching and insightful learning experience, providing fresh perspectives on creative problem-solving and innovation, and the faculty members are motivated to apply these valuable learnings in both academic instruction and professional domains. Furthermore, during their visit to the Zensar campus, our faculty had a delightful interaction with distinguished alumni—Ms. Sakshi Funde, Ms. Siddhi Amale, Mr. Rohit Bule, and Mr. Yash Mehetre—whose exceptional growth and achievements at Zensar filled the department with immense pride.

E&C Department Celebrates Dr. Bhopale's PhD Achievement

The Department of Electronics and Computer Engineering proudly announces that faculty member Dr. Nitin Ishwarlal Bhopale successfully completed his Ph.D. in Electronics Engineering from Dr. Babasaheb Ambedkar Marathwada University (Dr. BAMU), Sambhaji Nagar, on October 15, 2025.

Mechanical Engineering: Team CENTROID Wins AAKRUTI GEO FINALE 2025!

It is a moment of immense pride for Sanjivani! We extend our heartiest congratulations to Team CENTROID from the Department of Mechanical Engineering for emerging as the Winner of the AAKRUTI GEO FINALE 2025 on November 14th, 2025. This brilliant team secured the 1st Prize in the AAKRUTI Innovation Competition 2025 (India Finale), reflecting their outstanding innovation, dedication, and excellence. The team comprised of Abhishek Nale, Mahesh Jadhav, and Bhushan Pawar (Mechanical), along with Indrajit Wani (Mechatronics). The entire endeavor was successfully guided by Mr. N. S. Surner and coordinated by Dr. S. R. Thorat (SPOC). Critically, this national victory has earned them selection for the Global Finals in the USA, scheduled for February 2025. We wish Team CENTROID great success as they prepare to represent Sanjivani on the international stage!

Children's Day & "जनजातीय गौरव दिन" Celebration at Aashramshala

The Sanjivani community observed a significant day on November 14th, 2025, by celebrating Children's Day alongside the birth anniversary of the iconic tribal freedom fighter, Birsa Munda, recognized as "जनजातीय गौरव दिन." The Sanjivani Kaladalan Club and Sanjivani Shabdpremi Club, in collaboration with the Students Activity Council (SAC), organized a heartfelt outreach event at the Sanjivani Eklavya Adivasi Anudanit Aashramshala, Takali, Kopargaon. The entire program, aimed at celebrating the joy of childhood and honoring Birsa Munda's legacy of courage, was conducted under the valuable guidance of Dr. S. S. Chine (Club Incharge), Prof. K. D. Petare (Associate Dean), and Dr. M. V. Kulkarni (Dean – Student Development).

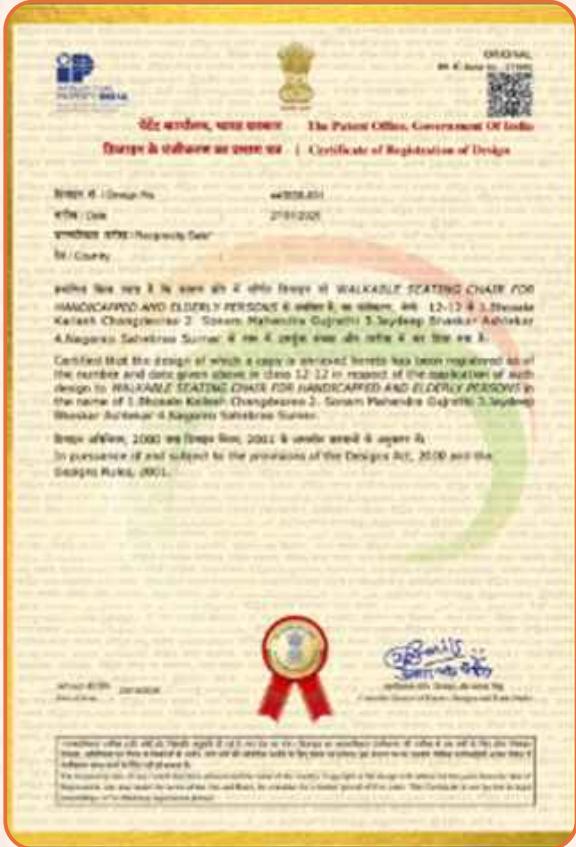

The event was filled with engaging activities designed to encourage the children's artistic and communicative abilities, including a Drawing Competition, crafting activities, and an elocution competition, where the children showcased their creativity and confidence. To add delight, snacks, chocolates, and refreshments were distributed, and the competition winners were proudly awarded prizes. Furthermore, in an effort to support their academic journey, stationery kits were thoughtfully gifted to every student. This heart-touching celebration fostered a memorable blend of fun, learning, and emotional connection, successfully reinforcing the importance of community engagement and shared happiness.

Dr. N. D. Sadaphal attends Global Future Forum 2k25 in Kuala Lumpur

Dr. N. D. Sadaphal from the Mechanical Engineering Department recently represented our college at the prestigious Global Future Forum (GFF) 2k25, held from October 15th to 18th, 2025, in Kuala Lumpur, Malaysia. Organized by the Center for Strategy, Entrepreneurship & Economic Development (CSEED), GFF served as a premier international platform where emerging leaders, innovators, and young professionals—alongside distinguished experts, policymakers, and industry leaders—converged to shape solutions for the most critical challenges of our era, including artificial intelligence, economic transformation, diplomacy, and global governance.

Design Patent Published on "Walkable Seating Chair"

We are delighted to announce a significant achievement for our faculty and students! Heartfelt congratulations to Dr. K. C. Bhosale, Ms. S. M. Gujrathi, Mr. N. S. Surner, and Mr. J. B. Ashtekar whose design patent for a "Walkable Seating Chair for elderly persons" was officially published on October 27, 2025.

Mechatronics Students Bring Universal Human Values to Life

Unlocking Global Careers: Mosaique's Campus Visit Inspires

On November 4, 2025, our campus welcomed Mr. Shun Takahashi (Business Development Manager) and Ms. Isha Mahto (Business Development Executive) from Mosaique for an insightful visit organized by the Department of Training & Placement. Their engagement included a highly informative seminar on Internship and Job opportunities in Japan, providing students with invaluable perspectives on global career paths. Following the seminar, the team toured the Mechatronics Department and engaged in productive discussions with our Director and senior faculty, reinforcing the commitment to future collaborations and ensuring our students remain at the forefront of international opportunities.

On October 14, 2025, the Department of Mechatronics Engineering successfully hosted a unique and effective pedagogy session for the Universal Human Values (UHV) course. In line with the Value Education category of the NEP 2020 structure, Second Year Mechatronics students (Semester III, A.Y. 2025-26 Term 1) participated in a Drama Presentation activity to practically demonstrate the core values taught in the course. The students formed three teams, each performing a drama under a specific category: 'Harmony in Self', 'Values within Family and Society', and 'Living in Co-existence with Nature'. This innovative activity was coordinated by the Course Instructor, Dr. Sachin S Raj, and assessed by Internal Examiner Ms. S.C. Bhangale (AP, MTX) and External Examiner Mr. S. Muthuraj (AP, IT, SCOE), fostering a deep and experiential understanding of human values among the future engineers.

Mechatronics ROS2 Honours Students' Insightful Visit to Armstrong Dematics, Nashik

On November 28th, 2025, the Mechatronics Engineering Department's ROS2 Honours students, accompanied by Prof. Puja A. Thorat and the Respected HOD Sir, embarked on a highly informative visit to Armstrong Dematics in Nashik to deepen their exposure to industrial robotics and automation. The team was warmly welcomed by Mr. Bhaskar, who provided a detailed tour of the company's sections and operations, making the industrial workflows clear and accessible to the students, a process made even more inspiring as our already-placed Robotics students shared their knowledge on the AMR systems. Throughout the tour, students observed practical applications of robotic systems and the integration of ROS2 in automation setups, gaining valuable knowledge beyond their theoretical studies. The experience was further enriched when Pranita Ma'am, the ROS2 Head, met with the students, offering practical guidance on ROS2 implementation, encouraging them toward advanced projects, and graciously committing to a future campus visit to review their work.

Mechatronics Department Forges Strong Industry Partnership with Pooja Casting Pvt. Ltd

On November 27th, 2025, the Mechatronics Engineering Department successfully undertook a crucial placement-oriented visit to Pooja Casting Pvt. Ltd., Chakan, Pune, coordinated by Dr. Sidhant Kulkarni, accompanied by Prof. A.A. Kondekar and the Respected HOD Sir. The team held a highly fruitful meeting with Mr. Sanket Kulkarni, the Managing Director, who expressed a strong interest in establishing a multi-faceted collaboration with the Sanjivani Group of Institutes. This partnership will encompass vital opportunities for students, including internships, industry-oriented projects, and the potential for Pre-Placement Offers (PPOs) for high-performing students. Furthermore, Mr. Kulkarni showed enthusiasm for jointly developing industry-sponsored projects focusing on the digitization of the casting process and robotic assembly line solutions, aligning perfectly with the department's focus on experiential learning. The collaboration will also feature Mr. Kulkarni's open invitation for future industrial visits to Pooja Casting, which will significantly enhance the practical exposure of our students.

Sanjivani College Hosts Grand "Deeksharambh 2025" for New Pharmacy Students

Sanjivani College of Pharmaceutical Education and Research (Autonomous) successfully conducted Deeksharambh 2025, a four-day induction programme for newly admitted B.Pharm and M.Pharm students.

The event began with an inaugural ceremony, Saraswati Poojan, parent interaction, and motivating addresses by dignitaries from the pharmaceutical sector.

Day two featured leadership talks by the academic, examination, and R&D deans, a panel discussion on career opportunities in pharmacy, a PoSH awareness workshop, a campus tour, and sports activities.

On day three, students attended a library orientation, an innovation session by the Institute Innovation Council, a soft-skills and business etiquette workshop, and a session on the role of AI in pharmaceutical careers, followed by cultural events.

The programme concluded with an industrial visit, giving students hands-on exposure to manufacturing processes, quality control, and real-world industry practices.

Overall, Deeksharambh 2025 provided students with academic guidance, career insights, and a strong foundation for their journey at Sanjivani.

Achievement Update | Aavishkar Research Competition 2025–26 : Sanjivani Continues to Shine at University Level Selections

Sanjivani College of Pharmaceutical Education & Research (Autonomous), Kopargaon, is pleased to share yet another proud moment in continuation of our recent achievements at the University Level Aavishkar Research Competition 2025. Following the selection of nine research teams earlier this month, we are delighted to announce that Miss. Eram Tajamulhaq Ansari from the Postgraduate Regulatory Affairs Department has been shortlisted under the Humanities, Languages & Fine Arts category for the 18th Aavishkar Research Competition 2025–26 at the University Level, SPPU, Pune. This remarkable accomplishment is a testament to her dedication, academic excellence, and research potential. We extend special appreciation to her guide, Mr. Pradip Karale, whose continuous mentorship and support played a pivotal role in shaping this achievement. Miss. Eram will now represent Sanjivani at the State Level Aavishkar Round, and we convey our best wishes for her upcoming presentation, confident that she will continue to excel and bring laurels to the institute. This success reflects the strong research culture nurtured by the institution and the unwavering support of our leadership – Shri. Amitdada Kolhe, Managing Trustee, SRES; Dr. Vipul Patel, Director, SCPER; and Dr. Smita Kumbhar, Dean of Research – whose vision continues to inspire innovation, inquiry, and academic excellence across the campus. Heartiest congratulations once again, and best wishes for continued success at the next level.

Remarkable Internship Placements of Sanjivani College of Pharmaceutical Education and Research (Autonomous), Kopargaon Students Across India

We are delighted to announce the outstanding achievement of our students in securing prestigious project-based internships across the pharmaceutical industry. A total of 44 students from Sanjivani College of Pharmaceutical Education and Research (Autonomous), Kopargaon have been selected, including 13 M. Pharm and 31 B. Pharm students.

These internships have been offered by reputed pharmaceutical and healthcare organizations across India, showcasing the strong industry-academia connect and competency of our students. The partnering organizations include:

- Organon
- Alkem Laboratories Ltd.
- IPCA Laboratories Ltd, Mumbai
- Precise Biopharma Pvt. Ltd., Vadodara
- Vidya GXP Pvt. Ltd., Indore, Madhya Pradesh
- Ostial Pharma Pvt. Ltd., Mumbai
- Vaidika Life Sciences, Nashik
- Lupin Pvt. Ltd.
- Wengyan
- PKC, Pune
- ReMedi Clinical Research Services, Nashik
- HCG Manavata Cancer Research Centre, Nashik (Unit 2)
- Clinical Trial Centre, Pravara Institute of Medical Sciences (Deemed University)
- Sangeeta Pharma, Sinnar

These valuable internship opportunities during November 2025 will significantly enhance students' practical knowledge, professional skills, and career readiness in various domains such as R&D, Clinical Research, Manufacturing, Quality Assurance, Pharmacovigilance, and more.

The Management, Principal, Faculty Members, and Training & Placement Cell extend their heartfelt congratulations to all selected students and wish them great success in their industry journey ahead.

Sanjivani – Empowering the Future of Pharma Professionals!

Inspiring Innovation: National Entrepreneurship Day Celebrated with Extended Design Thinking Workshop

Sanjivani College of Pharmaceutical Education and Research (SCPER) marked National Entrepreneurship Day on 8th November 2025 with an engaging and interactive session on "Extended Design Thinking: A Transformative Approach to Innovation." The expert session, conducted by Mr. Irfan Malik, introduced pharmacy students to the complete design thinking framework from empathizing and defining real problems to ideating, prototyping, and testing solutions. Students learned how innovation thrives when analytical thinking is blended with intuition, creativity, and empathy.

A key highlight of the workshop was the exciting "Wallet Exercise," where participants redesigned a simple product using empathy-based design. Their ideas demonstrated exceptional creativity and user-centric innovation. The speaker further emphasized three essential pillars of successful innovation:

- Desirability - focused on real human needs
- Feasibility - grounded in scientific and technological practicality
- Viability - ensuring real-world sustainability

Students actively explored the application of Design Thinking in pharmacy - including drug development, patient-centered services, and healthcare problem-solving. The session fostered curiosity, empathy, collaboration, experimentation, and iterative learning - the mindset of a true design thinker. The organizers expressed heartfelt appreciation to the Honorable Management, Dr. Vipul P. Patel (Director SCPER), Dr. Seema Gosavi (IIC Convenor), and Ms. Gauri Borude (Coordinator) for encouraging an entrepreneurial culture at SCPER.

Fresher's Party "Navkshitij 2K25" Welcomes New Aspirants with Enthusiasm

Sanjivani College of Pharmaceutical Education and Research, Kopargaon, celebrated a grand Fresher's Party "Navkshitij 2K25" on 25th November 2025 at Solar Banquet Hall to warmly welcome the newly admitted B. Pharm and M. Pharm students. The event was hosted by Second Year B. Pharm students, following the delightful tradition of the institute. The celebration commenced with the auspicious lamp lighting ceremony, symbolizing new beginnings. Dr. Vipul Patel, Director of SCPER, extended a heartfelt welcome to the students and motivated them to embark on their academic journey with passion and confidence as members of the Sanjivani Group of Institutes.

The event was filled with a vibrant cultural lineup, including dance, singing, and engaging fun activities that allowed freshers to showcase their talents and build camaraderie. Exciting games were also organized, making the morning lively and memorable for everyone.

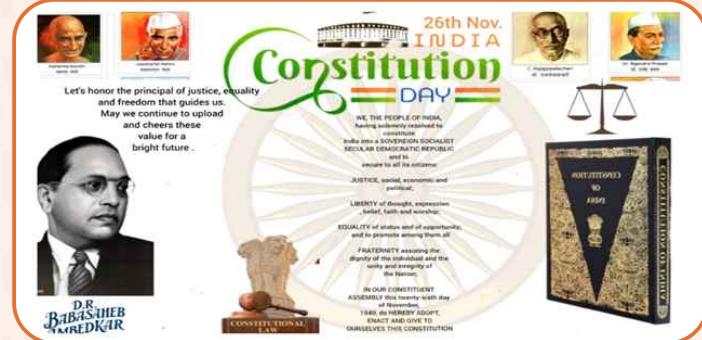

One of the highlights of the program was the introduction and felicitation of the newly formed Student Council, symbolizing student leadership and active participation in campus activities.

The celebration concluded with a vote of thanks delivered by a Second-Year student, acknowledging the efforts of all contributors. Faculty members praised the S.Y. B. Pharm students for the flawless planning and smooth execution of the entire program, making it a joyous and welcoming experience for the newcomers.

"Navkshitij 2K25" truly marked a promising beginning for freshers stepping into their professional future with excitement, enthusiasm, and new dreams.

Celebrating the Constitution Day 2025: Department of Commerce Honors the Spirit of Indian Democracy

Kopargaon: The Department of Commerce, School of Commerce and Management, Sanjivani University, celebrated Constitution Day 2025 with an online programme held on 26th November 2025. The event aimed to enhance students' understanding of the Indian Constitution and to encourage civic responsibility among young learners.

As part of the celebration, two interactive activities were conducted – Quiz Competition and Digital Poster Making Competition. Both activities inspired students to explore core constitutional values such as justice, liberty, equality, and fraternity.

A total of 41 students participated in the quiz, showcasing strong awareness of constitutional principles and national governance. Additionally, 8 students prepared creative digital posters reflecting themes like national integrity, fundamental rights, and democratic values.

The online event was coordinated by Prof. Renu Bala, with the support of student coordinators Tejal, Sahil, and Suvarna, ensuring smooth organization and active engagement. All participants were awarded E-Certificates in appreciation of their enthusiasm and efforts.

Competition Results

Quiz Competition:

- 1st Prize: Bhumika Rajput – S.Y. B.Com (PRN: 2124UBCF1063)
- 2nd Prize: Kajal Ravindra Kurhe – S.Y. B.Com (PRN: 2124UBCF1024)
- 3rd Prize: Rohan Shankar Wani – F.Y. B.Com (PRN: 2125UBCM1031)

Digital Poster Making Competition:

- 1st Prize: Shripath Vakte – F.Y. B.Com (PRN: 2125UBCM1038)
- 2nd Prize: Shubhada Shinde – S.Y. B.Com (PRN: 2124UBCF1060)
- 3rd Prize: Rojma Shaikh – S.Y. B.Com (PRN: 2124UBCF1051)

The Constitution Day celebration successfully blended learning with creativity, instilling a deeper respect for the nation's constitutional framework. The initiative served as a meaningful tribute to Samvidhan Divas 2025, while promoting civic literacy and active participation among B.Com students.

Department of BBA IB & Tech Hosts Guest Lecture on “Opportunities and Dynamics of Market” to Enhance Students' Strategic Business Understanding.

Kopargaon: The Department of BBA IB & Tech successfully organized an insightful Guest Lecture on “Opportunities and Dynamics of Market” on 12th November 2025 at the BBA Department, 8th Floor, Sanjivani University. The session was coordinated under the guidance of Dr. Tanaya Patil, with active support from the Student Association.

The distinguished speaker for the event, Mr. Nikhil Mehta, shared expert perspectives on the evolving nature of global markets. Addressing students from BBA IB & Tech, he emphasized how innovation, technology, and shifting consumer behaviour are transforming business environments worldwide. The talk provided students with a deeper understanding of identifying emerging opportunities, adapting to competitive pressures, and analysing market trends for future growth.

During the interactive segment, students engaged enthusiastically, raising questions on global competitiveness, entrepreneurial opportunities, and strategic decision-making. Mr. Mehta encouraged learners to develop analytical thinking, remain updated with market changes, and cultivate adaptability as a core business skill.

The session also highlighted key learning areas such as the impact of rapid market transitions on business expansion, new possibilities arising in emerging sectors, and the role of strategic thinking in navigating dynamic market environments. The faculty appreciated the students' active participation, noting that the event contributed significantly to their academic and practical understanding of modern business.

The event concluded with positive feedback from students, who expressed that the lecture deepened their awareness of real-time market challenges and strengthened their ability to think critically about business dynamics. With a participation count of 100 students, the session marked another successful academic initiative by the department toward enhancing industry-oriented learning.

BBA IB & Tech Department Celebrates Children's Day with Compassionate Outreach: Fostering Joy, Empathy, and Social Responsibility

Takali, Maharashtra, India

Lat 19.930245° Long 74.442533°

Wednesday, 12/11/2025 03:08 PM GMT +05:30

Kopargaon: The Department of BBA IB & Tech organized a heartwarming Children's Day Celebration on 12th November 2025, led by Prof. Aishwarya Rao and supported by the Student Association. The celebration took the form of a community outreach activity, where students visited a nearby ashram to spread joy and create memorable moments for the children.

During the visit, students engaged the children in a variety of fun-filled activities, including interactive games, performances, and group interactions. To make the day even more special, the team distributed snacks, gifts, and sweets, creating a cheerful and festive atmosphere. The initiative aimed not only at celebrating Children's Day but also at nurturing empathy, kindness, and a spirit of community service among the BBA students.

The interactions brought visible happiness and confidence to the children at the ashram, while also giving students an opportunity to understand the value of social contribution. Many students expressed that the celebration allowed them to reflect on gratitude, inclusivity, and the impact of small acts of kindness. The event also strengthened teamwork and leadership skills as students collaborated effectively in planning and executing the entire activity.

Feedback from the participants highlighted meaningful engagement with the children, the joy of conducting games and gifting sessions, and the learning of essential human values such as empathy and responsibility. With a participation count of 85 students, the celebration reinforced the department's commitment to holistic development, social sensitivity, and value-based education.

Sanjivani University Participates in Career Fair 2025: Strengthening Brand Presence and Guiding Students Toward Future Career Pathways

Vadodara: Representatives from Sanjivani University—Dr. Sharav Desai and Mr. Harshal Dayama—participated in the Career Fair 2025 held on 20th November 2025 at Tejas Vidyalaya, Aatmajyoti Ashram Road, Vadodara. The event was jointly organized by Alembic Group of Schools and CareerNaksha, bringing together students from multiple academic levels for career awareness and guidance.

The primary objective of the visit was to promote Sanjivani University's academic offerings, create early engagement with school students, and establish long-term visibility among future aspirants. The representatives interacted with over 200 students, introducing various undergraduate programs, academic strengths, and career pathways available at the university. The discussions highlighted campus facilities, placement opportunities, academic excellence, and the disciplined learning environment that Sanjivani University proudly upholds.

A dedicated group session was conducted for around 180 students, where the team addressed future career trends, skill requirements, university life, and the importance of choosing the right educational institution. Students showed remarkable enthusiasm, actively participating and seeking clarity on career planning, higher education choices, and the role of structured university environments in shaping professional success.

Informational brochures and leaflets were distributed to ensure students received comprehensive details on programs, admission guidelines, and campus infrastructure. The interactions also provided opportunities to network with school authorities and educational partners, strengthening the university's outreach efforts. Early engagement with students from 7th to 9th standards serves as a strategic branding initiative, helping build awareness, trust, and future aspirations toward Sanjivani University.

The visit concluded with positive feedback, indicating strong student interest and an encouraging response from the academic community. The Career Fair proved to be a valuable platform for long-term branding, positioning Sanjivani University as a promising destination for higher education and student development.

Visit to Prasadalyam Shirdi part of MBA FY Social Activity

120 first-year MBA students visited Prasadalyam, Shirdi, as part of a social activity on 8th November 2025. During the visit, the students explored food processing at Prasadalyam, food service techniques, and the Food distribution process. During the visit, they learned how food services are important to devotees and needy people.

MBA first-year students visited Dairy Power Ltd on 11th November 2025

Expert Session on Opportunities and Dynamics of Markets by Mr Nikhil Mehta

Kopargaon, Maharashtra, India

Wf2v+rmh Sanjivaani Factory, Sanjivani College Campus Rd, Sa Factory, Singnapur, Kopargaon, Maharashtra 423603, India

An expert session was conducted at Sanjivani University for first-year MBA students with Mr Nikhil Mehta, Founder and CEO of Finmonk, on the topic "Opportunities and Dynamics of Markets." Mr Mehta shared valuable insights into the evolving financial landscape, emerging market trends, and the importance of strategic thinking in navigating market dynamics. He emphasised innovation, technology, and data-driven decision-making as key drivers of success in today's competitive environment. The session provided students with practical knowledge, real-world examples, and a deeper understanding of market behaviour, preparing them for future managerial and entrepreneurial challenges.

National Pharmacy Week Celebration 2025

Sanjivani Institute of Pharmacy & Research, Kopargaon celebrated National Pharmacy Week 2025 with a series of engaging competitions, including Essay Writing, Quiz, Reel Making, and Elocution. Students actively participated and showcased their talent in writing, scientific knowledge, creativity, and communication skills. The events were conducted successfully with enthusiastic involvement, promoting awareness about the role of pharmacists in healthcare. Congratulations to all participants and winners for making NPW 2025 a memorable and impactful celebration!

Proud Moment for Sanjivani: Our Student Shines with 3rd Prize in State Level E-Poster Competition

 Sanjivani Rural Education Society's
Sanjivani Institute of Pharmacy & Research 

Heartiest Congratulations!

Ms. Attar Arshin Shakil
has secured the
3rd Prize

in the **State Level E-Poster Presentation Competition**
held on **27th November 2025** during **National Pharmacy Week**.

Guided by:
Prof. Ms. Pathan S. M.

Your hard work and dedication truly shine, keep rising higher.

Heartiest congratulations to Ms. Attar Arshin from SRES' Sanjivani Institute of Pharmacy & Research, Kopargaon for securing 3rd Prize in the State Level E-Poster Presentation Competition (NPW 2025) out of 101 posters across Maharashtra and 27 shortlisted finalists, your innovative and insightful work truly stood out. Special appreciation to Prof. Ms. Pathan S. M. for her guidance and support.

Jaihind College of Pharmacy, Vadgaon Sahani, in collaboration with IPA Alephata Local Branch, organized a State Level E-Poster Presentation Competition on 27th November 2025 as part of National Pharmacy Week 2025. The event witnessed an excellent participation with 101 poster submissions from across Maharashtra, out of which 27 finalists were shortlisted.

We are delighted to announce that Ms. Arshin Attar, representing SRES' Sanjivani Institute of Pharmacy & Research, Kopargaon, actively participated in the competition and secured the 3rd Prize for her outstanding E-poster presentation.

Her accomplishment reflects her dedication, scientific curiosity, and effective presentation skills.

Importantly, her work was guided by Prof. Ms. Pathan S. M., whose support and mentorship played a significant role in shaping the quality and impact of the poster.

School of Sciences Observes National Constitution Day with Preamble Reading and Awareness Session

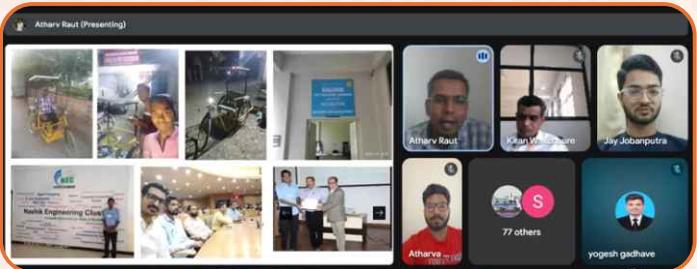

Kopargaon: The School of Sciences (SSC), Sanjivani University, observed National Constitution Day with great enthusiasm and respect on 26th November 2025. The program began with a brief introduction to the significance of the day, followed by a collective recitation of the Preamble of the Indian Constitution. The recitation was initiated by Ms. Sakshi Kadam, after which all students joined in unison, reaffirming their commitment to the values enshrined in the Constitution.

Dr. Manisha Pal, Assistant Professor, addressed the gathering and delivered an insightful talk on the importance of the Indian Constitution, highlighting its role in safeguarding citizens' rights and fostering national unity. The event was attended by faculty members, including Mr. Ganesh Phopse, and a large number of students who actively participated in the session.

The program concluded with the National Anthem, marking a respectful end to the observance and instilling a sense of patriotism and constitutional awareness among the attendees.

Sanjivani University's Organic Chemistry Department Hosts Inspiring I-Connect Alumni Talk by Entrepreneur Atharv Raut

Kopargaon: The Organic Chemistry Department of Sanjivani University organized an impactful I-Connect Alumni Talk on 10th November 2025, featuring distinguished alumnus Mr. Atharv Raut, Founder & CEO of eUdaan and manufacturer of solar automotive products and LED systems. The session, titled "Bringing Your Idea to Life: The Journey from Concept to Successful Startup," was conducted as part of the celebration of National Entrepreneurship Day.

More than 80 students from the School of Sciences enthusiastically attended the online interaction. Mr. Raut shared valuable insights on transforming innovative ideas into successful ventures, overcoming entrepreneurial challenges, and adopting modern approaches in product development, scaling, and market readiness. His real-life experiences motivated students to explore entrepreneurship and the growing opportunities in India's innovation-driven ecosystem.

The session was highly interactive, with students seeking guidance on startup ideation, prototype development, and industry expectations. The event successfully connected academic learning with real-world entrepreneurial practices.

Sanjivani University officials, faculty members, and the Innovation Cell appreciated Mr. Raut for inspiring the young learners and thanked the Organic Chemistry Department for organizing this meaningful and career-shaping session.

Sanjivani University Strengthens Global Academic Ties Through High-Impact Visit to Taiwan and Shenzhen

Kopargaon: In a major step toward expanding international academic and research opportunities, Sanjivani University successfully concluded a high-level scientific visit to Taiwan and the People's Republic of China (Shenzhen) from 19 to 27 November 2025. The visit, led by Dr. S. B. Dahikar, Dean, , aimed at establishing global collaborations, identifying internship and doctoral pathways, and enhancing the university's international presence.

The visit resulted in significant progress on academic partnerships, student mobility programs and research opportunities across leading universities, institutes, and industries in both countries.

During the visit to Taiwan, Dr. Dahikar delivered an invited talk at the 15th International Conference on Lactic Acid Bacteria, where he interacted with researchers from multiple Asian nations. Prominent biotech and probiotic industry leaders such as Glac Biotech, Grape King Bio, and Yakult Probiotics Taiwan were identified as potential internship and placement destinations for Sanjivani students.

The visit also led to meaningful academic discussions at major Taiwanese institutions including National Cheng Kung University (NCKU), National Taiwan University (NTU), National Kaohsiung University of Science and Technology, and National Sun Yat-sen University. A major highlight was the offer by Prof. Hsien-Tai Chiu of NCKU, who agreed to host three Sanjivani students as research interns and expressed interest in collaborations in Natural Drugs, Biotechnology and Organic Chemistry. NTU's Institute of Food Science and Technology also showed strong interest in joint research, exchange programs and externally funded proposals.

On the China leg of the visit, Dr. Dahikar toured leading institutions in Shenzhen, including BGI (Beijing Genomics Institute), Chinese Academy of Sciences, Southern University of Science and Technology (SUSTech), Shenzhen University, and Shenzhen Children's Hospital. These institutes expressed willingness to explore student internships, doctoral pathways, faculty exchange, training workshops and joint research initiatives with Sanjivani University.

Sanjivani alumnus Mr. Manmat Nanware, currently working in Taichung City, met Dr. Dahikar and assured full support in guiding students toward internships and placements in Taiwan's pharmaceutical and technology industries.

The visit has been hailed as a strategic milestone for Sanjivani University. The establishment of multiple strong international leads is expected to significantly enhance opportunities for students from Biotechnology, Pharmacy, Food Technology, Mechanical Engineering, Bioengineering, and allied fields.

Sanjivani University leadership expressed appreciation for the successful visit. University authorities congratulated Dr. Dahikar for strengthening Sanjivani's global network and opening new pathways for international exposure and academic development.
